**Vote Tomorrow**

Tomorrow, Friday, the people of Kelowna will go to the polls to decide whether or not they desire beer by the glass in this city. It will be the first time they have had such an opportunity to express their opinion since 1934.

The action which will be taken will be considered inevitably by some a backward or a forward step, depending upon the individual's point of view, but it is a question which the people must decide and the only method by which it can be decided is by the votes cast. Only through a large vote can an accurate expression of opinion be obtained, and for this reason every person on the list has a responsibility to his fellow citizens.

The current question is too complex, too important to be settled by the results of a small vote. Only through a large vote can the true opinion of the people of this city be decided. Tomorrow everyone who has the right should go to the polls and vote as they like—but vote.

**Editorial Briefs**

The students of both sexes at the Kelowna High School last year turned in an admirable record in various fields of sports and this year they seem to be well on their way to repeat that performance. In the Okanagan track and field meet at Vernon on Saturday last they walked away with the aggregate championship by a wide margin.

The B.C.F.G.A. will hold its convention next January in Vernon. For the past several years the "growers' parliament" has been held in Penticton because hotel and hall accommodation in Kelowna and Vernon were not sufficient to accommodate the delegates. Now, however, with the opening of a new hotel in Vernon with a banquet hall to accommodate four hundred that city has both the hotel rooms and the dining room accommodation for a convention of this size.

Veterans who have arranged for property in the new "Lakeview Heights" development across the lake are to be commended upon their action in deciding to have the area come within the scope of the rural regulated area. This was decided at a meeting last week and it means that the new community will be developed under circumstances more favorable than accorded most rural settlements. When the regulated area was first instituted around this city there were many who opposed it but now after three years operation there are few indeed who would argue that it has not been beneficial. The unanimity of the veterans in this regard is to be commended.

In Washington the House Ways and Means Committee, in an attempt to reduce the price of cigarettes to a basic 12 cents per package, has recommended that Congress lower the federal tax seven cents by two and one-tenth cents. If they think down there that a federal tax of seven cents is excessive, what would they think of the 21.58 cent excise tax which Canadians have to pay? Were it not for the federal excise tax and, in B.C., the provincial sales tax, cigarette smokers in British Columbia would be paying about 15 cents a packet instead of 37 cents, with corresponding prices to users of tobacco in other forms. While the movement south of the border offers a suggestion to the Canadian Parliament, it may be expected, should the price of U.S. smokes be lowered, about the only action which will be taken in Canada will be to put an even closer watch on customs entry points.

The House of Commons, fortunately, talked out a private bill that would have changed the name of our national holiday from "Dominion Day" to "Canada Day". This obsession with words and forms, on the ground that somehow our national status is involved, seems to us to reveal a striking inferiority complex.

Keep your fingers crossed about the weather. If we are lucky enough to have a dry June and July we should be able to avoid any serious lake trouble. But give us a wet period, and watch the lake rise high above the "agreed maximum"!

**Turtle Turns Up in Time For Pet Parade Judging**

By ANN HUNT

If a boy didn't have a pet, that was no reason why he couldn't get in on the Gyro pet parade and enjoy the fun.

When Ronnie Thompson's rabbit ran away, he didn't have an entry, so he just went out and caught a turtle.

That's one turtle story.

But here's one that beats it.

Charles Robertson caught a turtle five years ago and put his initials on its back. Then he returned it to the pond. He didn't see friend turtle again until last year when he found it alongside the creek. It was the same turtle, as he identified it by the initials. He put it back in the water.

Yesterday, at the pet parade, the same turtle turned up again. This time another boy had found it by the creek and entered it in the pet parade.

Charles bought the turtle from him.

It had grown to an immense size and was about a foot long. But the initials were still there.

What is Charles going to do with Mr. Turtle? Put it back in the creek.

**Sunny Day**

Yesterday was a day for the children. A bright, sunny day charged with excitement.

Tiny 22 months old Elizabeth Low stopped traffic as she rode her three-wheeled tricycle all decked out with pink roses.

The parade was a menagerie of animals with ducks, chickens, pigeons, lovebirds, rabbits, dogs, cats, turtles, a lone nanny goat, and horses and a sheltland pony.

Clever Floats

Then there were the gaily decorated bicycles, doll carriages and wagons. There was a clever float with "Little Miss Muffet," complete with spider, and "Peter, Peter, Pumpkin Eater."

**Will Kelowna remain "dry," or vote in favor of beverage rooms?**

This question will be answered around 9 o'clock tomorrow night after local citizens march to the polls in the Kelowna and District Memorial Arena to vote on the beer plebiscite. Polls open at 8 a.m. and close at 8 p.m.

Total of 6,573 are on the revised voters' list. A few people from outside areas will be voting, as they exercised their franchise at the city poll during the last provincial election.

This is the second time in 16 years that Kelowna will be voting on the beer question. On October 18, 1934, the plebiscite was defeated by a small margin. At that time 806 people voted "no" and 813 "yes". Total of 1,699 people voted out of 2,191.

Both factions have been conducting a vigorous campaign during the past few days. Prior to that, little interest was shown by Mr. and Mrs. Average Citizen.

Wheels of democracy will turn tomorrow, and by 9 p.m. the result should be known. In order for the plebiscite "to pass, a majority of 53 percent is necessary.

**LOCAL GUEST**

Valley artist, Mr. Irvine C. Adams who has three exhibits in the current international art show in Kelowna, accompanied by Mrs. Adams, were week-end guests at the home of Mrs. W. A. McKay, 207 Lake Avenue. They returned to Summerland this morning.

Equally remarkable was Miss Oatman's 8.9 seconds taken to rip off the junior girls 75 yards. The 16-year-old lass slipped one-tenth of a second off the Okanagan mark and had Jim Pantan, the district's track authority, thumbing through the track records.

This morning Pantan advised Marilyn's 8.9 time was just one-tenth of a second off the Canadian intermediate women's record of 8.8 seconds, set in 1939 by Nancy Murrell of Toronto. As far as he could learn, he added, Miss Oatman's time was the second fastest ever run in Canada by a junior girl.

Showing speed to burn, Marilyn also won the ladies' open 100 with one-tenth of a second off Percy Williams' long-time record of 10 flat.

**SPARKLING REVUE OF YESTERYEAR ON STAGE HERE**

A spectacular revue of the gay nineties with 21 stars from the Vancouver studios of the CBC will open stage at the Memorial Arena on Saturday evening.

The cast will include, Isabelle McEwan, Bill Carr, Barbershop Quartette, Eric Vale as the old stager, Wally Peters, the comedy novelty and vaudeville acts, with Harry Pryce and his full CBC orchestra providing the music.

Seats for this one night showing of the popular CBC broadcast are practically sold out. A packed house is expected. Net proceeds will go to the Manitoba Flood Relief Fund.

Mallabar costumers have designed the authentic period costumes and the scenery for the show.

**CONSTRUCTION OF THE THIRD** ferry which will operate between Kelowna and west side, is already well underway. The vessel was built in Victoria, stripped down, and shipped to Kelowna to be re-assembled. The Courier camera caught this picture early this week just as the first section was being moved down the government slipway on Water street.

**Records Broken As Local Students Vie With Top-Flight B.C. Athletes**

KELOWNA High School and other valley athletes yesterday made an outstanding bid for wide recognition with some spectacular record-breaking accomplishments during the Gyro Club Celebrations in the City Park.

Spurred by the largest crowd to attend the annual invitational meet in years and abetted by ideal weather, Okanagan cinder and pit artists broke existing valley records with gusto, establishing amazing new marks that will take a lot of beating anywhere in B.C.

Though the meet contained only thirteen events, six of them saw records shattered while another mark was equalled. In many cases the times and heights chalked up bettered those attained at Monday's Vancouver and district schools annual meet at Brockton Point Oval.

Brian Casey and Marilyn Oatman had wings on their feet as they tied a brilliant 11.7 performance, one-tenth of a second shy of the valley mark.

Fourth record to fall victim to the Black-and-Gold of Kelowna High was the high jump. Brian Weddell cleared his own previous best of 5 feet 9 inches on the second try yesterday and then went on to beat 5 feet 10 inches to the accompaniment of a thunderous roar from the packed grandstand and bleachers.

**Newman Re-elected Growers' President**

**BCFGA Directors Declare "State of Emergency"**

IVOR J. NEWMAN, of Glenmore, was unanimously elected president of the British Columbia Fruit Growers' Association at the annual meeting of directors held in Kelowna. Mr. Newman has been acting president following the sudden death last August of J. R. J. Stirling.

At the same time it was announced the 62nd annual convention will be held in Vernon. A letter from the Vernon Board of Trade said the new Allison Hotel, now under construction, would accommodate another 90 persons, and that there would be rooms for 210 people. Banquet room of the Allison will seat 400 persons and the Canadian Legion hall has a seating capacity of 500.

Kelowna was unable to extend an invitation to hold the convention in the Orchard City due to the fact local hotel accommodation amounts to only 104 rooms.

The directors went on record declaring a "state of emergency" exists in the tree fruit area due to the severe winter damage to orchards. The executive will review the overall position of growers at the end of the current season (May 31) and if necessary, the B.C.F.G.A. will request federal assistance under the prices support act.

Surveying winter crop damage, it was revealed peach trees have been killed in various districts; apricot trees and cherries have been hard hit; pear trees in most areas seriously injured; prune trees badly damaged to the north and seriously damaged elsewhere, while Newtown and Rome Beauty apple trees were badly damaged and in certain areas, the common Delicious badly hurt.

Directors felt that it is still too early to assess complete damage. In fact it might be several years before the extent of damage really becomes known.

Members of the executive were all re-elected. They are: Mainline J. G. Campbell, Salmon Arm; North Okanagan, W. T. Cameron, Vernon; Central Okanagan, G. D. Fitzgerald, Kelowna; South Okanagan, G. A. Lundy, Oliver; Kootenay-Creston, John S. Hall, Erickson.

Members of the B.C. Fruit Board were re-elected by acclamation. They are: chairman, George A. Barrat, Kelowna; A. G. DesBrisay, Penticton; J. G. Campbell, Salmon Arm.

**AUTO DRIVER FINED AFTER CARS COLLIDE**

Sequel to a motor accident involving two autos came in city police court Monday when L. E. McRae was charged with failing to stop when coming out of a lane.

Court was told McRae's car came out of a lane onto Richter Street, striking an auto driven by R. Frauenfeld, Kelowna district, causing minor injuries to two persons in the Frauenfeld car but only slight damage.

Police Magistrate A. D. Marshall fined McRae \$10 and costs. Passen, Mrs. E. Schmock and Miss Helen Schmock.

**IDEAL WEATHER PREVAILS For May 24 Celebration**

A BRILLIANT sun beat down from a cloudless sky as hundreds of people witnessed the colorful May 24 celebration in The City Park.

Highlighted by the crowning of May Queen Jeryll Wilson, the day-long program got underway with a street parade, lead by the colorful Canadian Legion Pipe Band and followed by the precision marching of the local Air Cadet Squadron. Then came the gaily decorated cars with the royal court attendants, each carrying flower nosegays; Mayor and Mrs. W. B. Hughes-Games and May Queen-Elect Jeryll Wilson, accompanied by retiring Queen Marie de Pylfer, wearing the crown she was soon to place on the head of queen-elect Jeryll.

The Navy Cadets, the City Band, Scouts, Guides, Cubs, Brownies, all in spanking, newly-pressed uniforms, joined in the gala procession. It was a stirring sight.

The brilliant sun accentuated the dazzling red of the B.N.S. sented the newly-crowned Queen with a gold brooch, and Princess Doreen Serwa brought the royal register for the new Queen to sign.

Her reign had officially begun.

To the favorite old English tune, "Come Ladies, Come Ladies," the Maypole dancers with their gay red and blue ribbons danced in and out of the Maypole, while Billy Murray played the accompaniment on his violin.

The two groups of Maypole dancers were from Rutland School and had been trained by Miss Margaret Ritch and Miss Mollie Noonan. When one pupil failed to show up for the dance, Miss Ritch gallantly filled in.

The newly-crowned Queen of May, and her entourage, then retired to the grandstand to watch the sports events.

As the curtain came down on the park festivities, the Queen and her court proceeded on their official tour, to visit the Lloyd-Jones senior citizens home where they chatted with the residents.

A fitting climax to the great day was the lawn tea at which the royal party was fêted at the home of Mr. and Mrs. George Rannard, where May Queen Jeryll, in her coronation robes, received her subjects.

**PLAN TO OPEN NEW CITIZENS HOME JUNE 21**

Hon. A. D. Turnbull, minister of health and welfare, along with other government officials, will be invited to attend the official opening of the senior citizens home on June 21.

The modern stream-lined building, located adjacent to the Lloyd-Jones Home on Bernard Avenue, is considered one of the best in the entire province for elderly people.

Alderman W. T. L. Roodhouse, chairman of the welfare committee, is in charge of making suitable plans for the official opening.

President Rannard opened the ceremonies with an address of welcome and invited all to join in the party festivities. Mayor Hughes-Games in his address of welcome, spoke of the freedom of democracy, and the peaceful reign of Queen Victoria which the day commemorated. He expressed his thanks to the Kelowna Gyro Club for sponsoring this event every year.

As retiring Queen Marie de Pylfer placed the crown on the head of the new Queen, Jeryll Wilson, was crowned Kelowna's 1950 May Queen.

Her first royal command was "On With the Dance."

### The Plebiscite

### The Kelowna Citizens Committee

Yes, it exists, and has for weeks! Prominent leading Kelowna citizens comprise its membership!

These citizens are officials of Kelowna organizations. Because they do not wish to identify their organizations with the plebiscite, they have withheld the publication of their names.

The committee is none the less quite real and very active. In my opinion it has run a clean and an honest campaign.

THE NEWLY-RECONDITIONED flagship of the Canadian Pacific's Atlantic fleet, the 26,000-ton Empress of Scotland is pictured above as she passed Father Point on the St. Lawrence River just 120 hours and 36 minutes out of Greenock, Scotland, to establish a trans-Atlantic record between those two points on her post-war maiden voyage completed last week.

Flying between Liverpool, Greenock, and Quebec City, the three-funnelled speedster carried on her first voyage the All-England Football Team (lower left), which included among its ranks such stellar performers as Stan Matthews, Britain's "Mr. Football."

The team, on a tour of Canada and the U.S. will play in Montreal, Toronto, Winnipeg, Calgary, Regina, Vancouver, Victoria and Detroit. Lower right inset shows the skipper of "Scotland", Captain E. A. Shergold, who was largely responsible for the record passage.

The "Scotland" was known in pre-war days as the Empress of Japan, largest and fastest passenger vessel on the Pacific Ocean, and just two years ago she ended a protracted war service of eight and a half years, during which time she steamed over 72,000 miles, the greatest mileage total of any troopship.

### SEVENTH DAY ADVENTISTS PLAN DRIVE

"Visit Your Neighbor" Campaign Will Run for Three Days Starting June 3

WINFRED—It was announced by Pastor A. G. Striffling that Seventh Day Adventist Church members will participate in the second of three special visit-your-neighbor days on Saturday, June 3 in the interest of greater church attendance, family bible study and prayer. The three days have been set aside by the denomination as part of a plan to visit ten million homes this year. Over three million special leaflets were distributed the first day which was on March 4, and the third special day will be October 7.

Adventist churches throughout the world are taking part in this drive, and according to word from headquarters in Washington, D.C., even the natives in the jungles of the Amazon River area are participating in the program.

Canadian Adventists have found the campaign so successful that they are interjecting an extra day which will be September 2.

The church's Dorcas Welfare society is co-operating in the plan to give material as well as spiritual help to needy families located during the neighborhood visits.

### Inspect District

All correspondence to the deputy comptroller had carried the invitation to inspect and prove or disprove the Peachland Irrigation District's claim and figures. On the other hand the letters from the deputy comptroller informed the district that he was not interested in whether growers had a crop or not, and that if they did not charge the full rates as he demanded, the district would not receive the credits due them under the Denn Clement Adjustment and the 1938 agreement.

### Personal Disagreement

It was pointed out that this disagreement was between the district and Mr. Lane, the deputy comptroller of water rights, a civil servant and had nothing to do with the government. After asking several times if any one wished to be recorded as being opposed to the motion, the chairman said that the board of industries, composed of H. C. MacNeill, A. E. Miller and himself would carry out the instruction of the ratepayers and that he hoped for an early inspection which would, he felt sure, bring about a satisfactory conclusion to the situation.

### LOOK AT YOUR HOME THROUGH THE EYES OF A STRANGER

Could your home do with a good coat of paint and a general "fix-up"? It's strange how one is apt to notice neglect about someone else's house and overlook it in his own. It's a costly tendency too. For one bit of disrepair soon leads to another. Wood deteriorates when the paint wears off. A broken post undermines a whole fence.

That goes for indoor improvements, too. You save money, time and material by attending to home repairs right away—before the damage gets worse. And every improvement adds to your comfort and to your pride in your home.

If you need more money than you have on hand to pay for the necessary repairs, see Walter Hotson, Bank of Montreal manager, about a low-cost loan. Save by paying cash. And save yourself trouble by paying all your repair bills off at once.

Why not make a list of the repairs your house needs today? Then discuss your improvement plans with Mr. Hotson in confidence. You'll like his helpful attitude.

He further doubted the rightness of the claims of the district and the figures submitted by them, and suggested that it was highly improbable that he would bother to order an inspection. It was this last statement which had convinced the trustees that further action, if any, would have to come from the ratepayers. The secretary enlarged on the trip to Victoria, and the appointment felt by the trustees when the deputy comptroller turned the bylaw down the last time after the district had supplied him with a complete schedule of work done and to be done as requested, which had fully proved the district's case. Mr. Bennett would again be contacted to see if anything could be done.

### Pass Resolution

Chairman Hawksley pointed out that the bylaw had been to Victoria

## Valley Artists Figure Prominently At Local Art Show Which Features 113 Paintings and Rare Antiques

By ANN HUNT

"The dawn was ready for me," said Summerland artist Irvine C. Adams as he summed up his pastel, "Two Trees at Dawn."

He is one of many interior artists that figure prominently in Kelowna's third international art show, which is being held this week in the furniture department of the local Mc & Co. store. The exhibition includes the work of Dutch, English, Austrian and Canadian artists. There are still lifes, landscapes, etchings, oils, pastels, watercolors, wood cuts, and practically every medium of art in this outstanding collection.

Here one may see the modern school of art on view with paintings from the school of rare old masters.

One of the most notable of the one hundred and thirteen paintings is the oil, entitled "Night" by Piet Mondrian.

Piet Mondrian's greatness has long been recognized. Alfred H. Barr, Jr., advisory director of the Museum of Modern Art in New York, referred to him as "the greatest Dutch painter of our time."

His work is among the permanent collection of the Museum of Modern Art, New York. He was an exponent of symbolism in his art and lived in the era from 1872 to 1944.

### Original Painting

The exhibit, "Night" was executed in 1908 and it is typical of the dark, conventional palette of his early days in a distinctly van Gogh sentiment. It portrays the definite element of the symbolist in Mondrian. While he was greatly influenced by the work of Sluyters, Gauguin, Toulouse-Lautrec, and others of the modern school, he remained aloof from it, and in an interview before his death, he related, "I got rid of all influences. I have always been alone." Piet Mondrian's "Night" is an original from the collection of Mrs. G. A. Ootmar.

The work of the interior artists portrays many familiar scenes. This is particularly true in the beautiful pastel, "Two Trees at Dawn" by Summerland artist, Irvine C. Adams. Here the artist has captured the nebulous quality of the faint light of dawn. The gnarled branches of two trees interlock in the foreground of the picture. There

within a narrow confine, H. A. Gria has painted a beautiful watercolor in "The Birchies." The imposing, tall, slim birches flank a stream along-side a pathway.

Another original from the collection of Mrs. G. A. Ootmar is the portrait, entitled, "The Doctor." It is by the Austrian artist, Pirsch, and the flesh tones are a masterpiece. Depicting the tolerance and understanding of a distinguished and cultured man, it captures lifelike expression in the eyes and color of skin, and the beautiful lines of the hands.

Among the painting by English artists, there are collectors' jewels. One of these is, "Seashore" by B. W. Lander, R.A. This portrays the windswept dunes of England. It is from the collection of Mr. P. T. Willson, of Winfield.

"Angel Inn North Moor," is a watercolor by the English artist, Sydney V. North. It will recall to many of the veterans who were overseas during the war, the typical English pub.

"Still Life," by E. H. Oswell, of Okanagan Mission, is a soft blending of colors. A string instrument set against a splash of orange, printed fabric, posed against a soft, grey background is pleasing to the eye.

One of Canada's outstanding artists, Walter J. Phillips, R.C.A., has captured the beauty of Howe Sound. The expanse of blue water in the gulf, with the snow-capped mountains rising in the background, is a breathtakingly lovely scene. It is from a collection that can be seen at the Eldorado Arms, Okanagan Mission.

"Trail Smelter," by Jim Clement, Kelowna, has captured the grimy and soot of the mines and depicts an industrial age.

A black and white woodcut by Jim Johnson, Kelowna, entitled, "Man's Head," shows strength of character.

Another rare feature of this third annual international art show is an original from the 17th century. It is, "Map of Goolia 1750," by Isaac Korian, Netherlands artist. If you look closely you will see the pen and ink lines drawn with fine detail. This is from the collection of Mr. and Mrs. Dick Waterman.

There are many other paintings of merit to be seen at this unique art show showing paintings by Mc and Co., which will continue daily until May 31.

Antique lovers will also be interested in some of the treasures on exhibit. The 16th century Pewee Plate and Mug, from the collection of Mr. P. T. Willson, the exquisitely hand-carved 16th century Greek church stool, with its intricate figures of women at prayer; and hand carved wooden nude by H. A. V. Wier, from the collection of Mr. and Mrs. P. J. Gelling.

The French Tapestry, and the Indian Princess Ceremonial gown, from the collection of Mr. and Mrs. Rufus Williams; the Indian Lacquer work, as displayed in the small bowls on exhibit, owned by Mrs. W. Spiller, are intriguing objects for antique lovers to admire.

## TALK GIVEN ON RACIAL PROBLEM

H. C. MacNeill Guest Speaker at P.T.A. Meeting Held at Peachland

PEACHLAND — The regular monthly meeting of the P.T.A. was held in the Municipal Hall Friday evening of last week, with H. C. MacNeill as guest speaker.

MacNeill gave an interesting and enjoyable address on racial understanding. Many children are taught race prejudice or intolerance at an early age. Parents should be careful not to say anything derogatory about other races before small children, as unless they have been indoctrinated with racial prejudice, they do not know anything about it, he said.

The most important thing about a different race is to get to know them. Mr. MacNeill then mentioned the racial situation in Canada. Speaking of anti-Semitism, he said if you lived in Eastern Canada you would notice it. Hatred of Jews had been going on for a long time. Yet they are citizens of Canada and are entitled to every privilege. They have been and are unfairly treated, he continued. He spoke of the anti-Negro feeling of Dr. Burch, who is one of the fanatics of today, and spoke of Bermuda where the British make laws to protect the dark men as well as white.

Mr. MacNeill said we have a problem even nearer to us than the Jew or Negro. The relation between the French and English speaking people in Canada. The trouble is as much the English speaking as French speaking peoples. He felt that B.C. should be congratulated on giving the Indians the franchise. When in Victoria, he had heard the Indian member of the House speak very well asking for more rights and privileges for the Indians.

We should promote better racial understanding, and a way of doing this would be better education, exchange of teachers who would stay for a year or two and return home, and help unite the nations. The Olympic games from all corners of the earth, and the United Nations is working for a bill of rights that is world wide, he said.

Mrs. G. W. Munro is chairman of the vacation reading club for Grade V. Mrs. A. E. Ruffie will help Miss Appleton at the baby clinic in June. Mrs. Ruffie helped Mrs. Z. J. Blower to decorate a float for May 24.

K. Donah, Mrs. Munro and Mrs. R. Toham, Jr. were appointed as a committee to visit the members and get nominations for the executive for the annual meeting. The hostesses, Mrs. P. C. Gerris, Miss Pearl Nelson, served refreshments.

## Local Milk Producers Claim They Have Already Taken 15% Cut

Milk producers of the Kelowna area have already taken a 15 per cent cut in net returns during the month of April, Ken Young, chairman of primary milk producers association, stated this morning.

Elaborating on the evidence submitted at last week's hearing of the B.C. Milk Board before chairman E. C. Carr, Mr. Young pointed out that if a milk board is not established in Kelowna area, it would force many primary producers out of business.

Text of the brief submitted by the local producers at last week's hearing, reads as follows:

We, the primary milk producers of the district of Kelowna, request that the control of the production and distribution of milk in this area be taken over by the milk board.

The following are the reasons for making such a request:

1. The diversification of farming is generally acknowledged as essential.

It is generally recognized that not only the farmer but the whole district is better off when the farming that is practised in that community covers as many different kinds of crops or live stock as possible and anything that is done to upset any particular branch of farming naturally has a detrimental effect on the community as a whole.

"Trail Smelter," by Jim Clement, Kelowna, has captured the grimy and soot of the mines and depicts an industrial age.

A black and white woodcut by Jim Johnson, Kelowna, entitled, "Man's Head," shows strength of character.

Another rare feature of this third annual international art show is an original from the 17th century. It is, "Map of Goolia 1750," by Isaac Korian, Netherlands artist. 2. The production of milk wherever possible is good for the well-being of the district.

Cash Income

The production of milk not only provides the farmer with a definite cash income every month, and enables him to pay general living expenses, but also creates considerable employment in the city concerned where the milk is processed, bottled and distributed. Should this milk supply be cut down or cease to be produced in this area, it is easy to see that it will create a hardship to many.

We would also like to point out that any milk produced in this area is new wealth which is on quite a different basis to other industries, such as mining, and we feel that this industry has to be guarded as much as possible.

The primary producers are capable of filling the needs of this district during the major part of the year.

Any milk brought in here indicates a surplus in this district and we understand on good authority that the milk that is being brought in is being sold in this district at a lower price than that ruling in its own district, and we fail to see why the primary producers here should be in the position of having to compete against a surplus from another community.

Surplus Created

We understand that owing to the fact that milk is being brought

The dairy industry represents a turnover of approximately \$400,000 annually to the Kelowna area, and apart from the capital invested in plants there are a number of valuable herds. It has taken years of care and study to create these high producing animals, and we consider it would be a major mistake if they were broken up owing to a disagreement between the distributors.

There are evidences that there is a disagreement between the distributors which will rapidly develop into a price war, which would undoubtedly reflect on the returns of the primary producer.

We would like to draw your attention to the report, "A Study Based on the Records of 233 Dairy Farms in the Fraser Valley for the Year 1945." This report was got out by the department of agricultural economics of the University of British Columbia, and which states that in order to cover the producer's cost of production the labor earnings of \$100 per month, \$60 of which would be in cash and the remainder perquisites, the farmer's receipts per pound of butterfat would have to be \$4.61c.

Since that date the cost of production have risen by at least 20 per cent, therefore the farmer now should receive a minimum of \$1.14 per pound of butterfat. We would like to emphasize that the primary producers in this area cannot afford to participate in either a price war or share in the loss due to surplus.

Surplus Created

We understand that owing to the fact that milk is being brought

in from another area at the present moment, a surplus has been created and the primary producers are going to have to share in the disposal of a surplus for the month of April. The margin of profit for the primary producer is so very close that he cannot afford to go on producing milk when there is a surplus as it would mean that he would be operating at a loss.

If this is allowed to go on it would undoubtedly mean a loss of the dairy industry to the Kelowna district, an eventuality which inevitably would mean higher prices for milk in Kelowna.

In conclusion, in our opinion milk is a very highly perishable product which is best consumed where, or as close to where it is produced, as possible. It should not be trucked about all over the country, as obviously any unnecessary movement, and especially during the heat of the summer, has a detrimental effect on the product.

Surplus Created

We understand that owing to the fact that milk is being brought

Milk is the child's main food, and as such, should be pure and fresh. The primary producers request that every consideration be given by the milk board to this brief.

KENNETH R. YOUNG, Primary Milk Producers.

## Tree Fruits Receives Many Letters Thanking B.C. Growers For Apples

B.C. TREE FRUITS LTD., has been receiving letters from British people from every walk of life, thanking growers for their kind gesture in sending 1,593,544 boxes of apples to Great Britain, according to A. K. Loyd, president and general manager.

In a press release, Mr. Loyd said for the first time since 1946, British Columbia apples have been shipped to the United Kingdom. Previous to the war Britain purchased approximately 2,500,000 boxes of B.C. apples, annually, and twice during the war, in face of wartime shipping conditions, shipments reached over the two million mark.

Declares Mr. Loyd: "Shipments this year were of course distributed across the length and breadth of the British Isles. The British Food Ministry has seen fit to distribute 50,000 boxes of B.C. apples free to schools and institutions. The appreciative and enthusiastic reception which has been accorded the arrival of B.C. apples augurs well for the future of our B.C. industry in the United Kingdom markets when exchange difficulties have been overcome.

"For months letters have been pouring into the office of B.C. Tree Fruits Ltd., at Kelowna from citizens of the United Kingdom. They come from England, Scotland, Ireland and Wales—from towns and cities across the country—written in the careful printing of the five-year-old; braille of the blind, and the precise English of the scholar. They come from people of every walk of life—from old people's homes; veterans hospitals; monasteries, convents and rest homes. There is a letter from a man 100 years young; letters from crippled children and the old contemplatives. All tell the same story—the unbounded appreciation of the British people at once again receiving B.C. apples; the wonder of the B.C. apples; and the excellent condition in which they arrived.

"Many gifts have been received—small tokens of appreciation for the world's best apples. There's a medal from Hertfordshire; a tea cosy from Ulster and books from Glasgow.

"It has been impossible to keep up with the count of letters received. To date however, nearly 20,000 letters have been received, and they are still coming in with the arrival of every boat.

**Heavy Task**  
"The task of acknowledging all this correspondence has been indeed a heavy one, and its volume soon necessitated answering only letters from principals and those in charge of the various institutions. As can readily be imagined, a would have been utterly beyond the capacity of this organization to reply to that number of letters individually.

"In all cases it has been pointed out to the writers that any fruit that was distributed free by the food ministry in Britain came from all the growers of British Columbia and from no individuals; and in a letter to the food ministry itself, it has been stressed that the British Columbia fruit growers are not desirous of accepting credit for a shipment of fruit which it was intended should be part of the season's marketing program—which program might be, and finally was, accorded financial support by the federal authorities.

**Two Champions**  
The 11-strong Pro-Rec group from Vancouver, who repeated at Memorial Arena last night, gave an eye-opening exhibition of pre-estimation, co-ordination and bodily control.

Clad in trim white, red-striped trousers, the group, under coaching of Chief Instructor Sid Greenwood, captivated the crowd for nearly an hour with their display of hand balancing, mat tumbling, springboard tumbling, parallel bars work, trampoline and box vaulting.

The group included two champions in their own field—Ron Hillier, senior B.C. Pro-Rec champ, and Ken Doolan, Pacific Northwest and B.C. junior champion. Others in the group were: Instructor Ed Lipinski, who lived several years in Kelowna and whose family still resides here; Instructors Bill Wilson and Lloyd Preston; Gordon Larkin; Bill Chaplin; Don Beck; Al Montgomery and Phil Morris.

**Real Test Coming**  
Commentary over the public address system was handled by Alf Bateman, department of physical education and recreation.

Champions of all they survey in the Okanagan for three years in a row, Kelowna High School athletes are hoping for still greater conquests next month when Kelowna Athletic Round Table is sponsoring an invitational meet here.

Invitations have been sent out to the best track and field clubs in B.C. and the Northwest States. It is hoped to have top-flight stars from up and down the Pacific Coast here to test the ability of the finest in the Okanagan.

Recent efforts of the Golden Owls and Owlettes indicate beyond a doubt they would be able to give a sparkling account of themselves against any opposition in the province.

## NEWSPAPERMEN PLAN TO TOUR B.C. INTERIOR

Kelowna will be hosts on Monday to 33 key persons in the tourist information service from western Washington. The tour is being sponsored by the Vancouver Tourist Association and will take the party through the Okanagan via the Hope-Princeton and the Fraser Canyon.

The party consists of editorial representatives of newspapers, clerks in travel bureau offices, chambers of commerce and other tourist information outlets. They come from Bellingham, Seattle, Olympia, Tacoma, Portland and other western Washington cities.

The purpose of the tour is to acquaint these tourist contacts with the interior of B.C.  
The party will arrive here shortly before noon and will be guests of the Board of Trade at a luncheon at the Royal Anne. After the luncheon the party will be taken on a drive around the city and rural areas, before travelling to Vernon.

## RODEO DRAWS MANY PEOPLE VICTORIA DAY

Over 2,000 people witnessed the O.K. Rodeo staged by Bill Boyd near the Drive-In Theatre on Victoria Day.

Top money was captured by Eddie Kruger, of Penticton. Contestants from all parts of the valley took part in the stampeede which featured bucking horses, wild steers and horse races. One of the outstanding animals was "Black Devil" who proved to be a "tough one" for the cowboys.

All told a total of 90 riders were turned out within two and three quarter hours, indicating the efficient manner in which the rodeo was run.

One of the most interested spectators was William Cozart, of Calgary, who is a partner with Mr. Boyd. Mr. Cozart is well-known in Alberta where he has a large ranching and farm business.

## Past Glories of Lacrosse Recounted; Game Played Here 50 Years Ago

**EDITOR'S NOTE**—The following cup so the late George Rowellite donated his wonderful trophy.

"We Were Robbed"

From 1924 on the game languished here until in 1933 it petered out. In the last year (1933) Kelowna and Salmon Arm were playing in Kelowna. As dispute arose over refereeing and the Kelowna team started to walk off the field to consider its plan of action, Salmon Arm, once Kelowna was off made a bee-line for their cars and went home, claiming they had won the game as Kelowna walked off first.

That claim was upheld by the league officials and Vernon and Salmon Arm were placed in the final playoffs, leaving Kelowna out in the cold. There has been no lacrosse played in this city since.

Coming down to modern times, the Gyro Club made an attempt to introduce boxla to Kelowna when the North Shore Indians and Home Gas were brought here for an exhibition game in 1935. Despite every effort, however, the game was not really started until last year (1939) when a junior team played Vernon and Armstrong.

The big step in being made this year (1949) by purchasing of lights for the box and erecting bleachers. Thus night games are made possible and teams may travel here without difficulty.

Just as a closing gesture Al Weddell produced a cash book of the old Kelowna Amateur Athletic Club showing that in 1922 baseball, lacrosse and football turned over nearly \$3,000 in receipts. The club had an agreement in those days that the city would obtain one-third of the gate receipts for park improvement purposes and the city obtained over \$800 that year.

Starting of the athletic grounds in the city park may be laid partly at the door of this group of sports-minded citizens who organized the athletic association to combine various sports activities under one head.

In one game, on August 2, 1922, the lacrosse group took in \$27.25 at the gate, playing against Armstrong. The following year, in 1923, on May 24, the gate receipts amounted to \$51.25 and the city obtained \$180.

## DANDRUFF

Is unsightly and embarrassing to all neglected it helps to destroy the hair and promotes baldness. Dandruff is a condition of the scalp which is caused by a fungus which grows on the scalp. It is a common ailment and is easily cured by the use of Dandruff Remover. It is a powerful disinfectant and kills the fungus. It is a powerful cleanser and removes all dirt and grease from the scalp. It is a powerful conditioner and keeps the scalp healthy and the hair beautiful. It is a powerful restorer and restores the hair to its natural color and texture. It is a powerful protector and protects the hair from all damage. It is a powerful beautifier and makes the hair look beautiful. It is a powerful health-giver and keeps the scalp healthy and the hair beautiful. ## Puck Ass'n Annual Parley Monday Night

**KEEN** interest in hockey this year that has faded but little even though the season is past and gone these many weeks is expected to assert itself Monday night in possibly the largest turnout ever to attend a puck meeting.

For this coming Monday the Kelowna Senior Hockey Association is holding its long-awaited annual meeting, beginning at 7:30 p.m. in the board room of B.C. Tree Fruits Ltd.

Though the club already is committed to play senior hockey again this year (all five teams voted this at the annual Mainline-Okanagan Amateur Hockey League meeting May 14) there is considerable opposition from many quarters to this move.

Discussions along this line are likely to be the highlight of Monday's meeting that will also elect the 1950-51 executive and pass on the financial statement.

Club's Revenue \$18,760

KSHA officials this week announced an audit of last year's operations had been completed and copies of the financial statement are being prepared for distribution at the meeting.

Excess of expenditure over revenue on last year's operations for the first time in the senior. A bracket amounted to approximately \$3,300, according to Andy Reid, secretary-treasurer.

He revealed that the hockey club's share of the \$31,185.30 gross gate receipts was \$18,129.23. While revenue from other sources, the club totalled \$18,760.32.

Largest item of expenditure was \$15,478.71, classed as direct player expenditure. This included payment of a coach, players' remuneration, skates allowance, insurance and medical expenses.

League registration fees, the B.C. Amateur Hockey Association levy and referees' fees amounted to \$1,486.11. Equipment purchases came to \$2,641.90 while \$2,298 was put out to cover actual travelling expenses. This last figure does not include payments to players for time lost while away from jobs. That cost is included in the direct player expenditure.

**Easy to Get Vote**

Governed by regulations of the Societies Act, under which the Kelowna Senior Hockey Association was incorporated last fall, the association has advised only members in good standing will be allowed to vote at the meeting.

But to become a voter at the puck parley is a simple matter. Anyone

## Bruins Call Up Juniors For Tonight

Home victory number two and their second in three senior B boxla league starts is the bait the Kelowna Bruins are out after tonight as the Bernie Feedham-backed Salmon Arm Aces put in their first appearance here. Game time in Memorial Arena is 8:30.

Though missing three, and possibly four, men who were big cogs for the Bruins as they overpowered the Vernon Tigers in the home opener a week ago, coach Fred Oster will unfold a line-up which, he believes, will be good enough to take the Aces—whether Feedham is there or not.

Juniors Hillas Francis and Bob Wolfe are expected out tonight, replacing Marcus Smith and Harry Nichols who hid themselves back to Trail and Vancouver respectively last week. Doubtful starter is Ernie Rampone, recovering from a pulled back muscle said to have been suffered just before he went "before-happy" last Thursday and got himself banned for the rest of the game.

Third big wheel to leave a hole in the Bruins' roster is Harold Person who departed lock, stock and barrel for Prince George and a good job over the week-end.

**Aces Have Davies**

Reports running through rail-birdland have it that Reg Martin and Larry Reid are preening their

## LADIES' GOLF SWEEPSTAKES HERE SUNDAY

Premier invitational tournament of the ladies' section of the Kelowna Golf Club comes off Sunday when as many as 100 or more of the best golfettes in the valley will be competing in the local sweepstake.

To date some 85 entries have been received but some of the clubs had not been heard from as yet.

Those playing only nine holes will tee off at 11 a.m. Sunday while the 18-holes start swinging at 2 p.m. The match will be served during the afternoon. C. Reid is starter.

Next Tuesday also promises a busy session for the ladies with the Crawford Cup 18-hole play getting away a two-ball foursome (nine holes) and a session set aside again for the "business girls."

Crawford Cup instructions and draw are: One week to play each match; the lightest of the differences of combined handicaps.

1 p.m.—J. Underhill and J. Gades vs. G. Kerry and H. Shirreff.  
1:05—M. Stewart and F. Wade vs. R. Oliver and M. Willows.  
1:10—G. Johnston and G. Newby vs. B. Reid and Mrs. Perry.  
1:15—M. Roadhouse and G. Lenzie vs. K. Buckland and D. Stevenson.  
1:20—Mrs. Steele and J. Faulkner.  
1:25—McClomont and M. Green vs. M. DeMat and S. Willis.

**NO! I WANT Monaseal**  
IT'S NOT AN EMULSION PAINT

Today, more and more women realize that water-mixed emulsion paints do not give complete satisfaction. Instead, they are demanding MONASEAL... a REAL OIL FINISH... ready-mixed... ready to use! Monaseal covers in one coat over practically any wall surface... lasts longer, because the beauty is sealed in oil, right on walls or ceiling. Easy to keep clean, too, because Monaseal is WASHABLE.

MONASEAL is recommended for living rooms, dining rooms, hallways, dens, and bedrooms.

## SOX AT VERNON SUNDAY AS ADS TAKE ON ELKS

Sunday's Tape Will Tell if Murraymen Can Break Loss String on Away Games

One of those quirks in the B.C. Interior Baseball League schedule will keep the Kelowna Sox away from their home pasture for the second Sunday in a row this coming week-end.

Nursing a double win-double loss record, Dick Murray's crew on Sunday will be hosted by the Vernon Canadians, also with a 500 standing for four games. To date the Sox have been unable to turn in a win away from home, but Murray is confident they can do the trick Sunday and leave the Vernoners holding the bag.

District sports fans still will have a senior league game on their fare on Sunday at Rutland, where the Adanacs, playing their second straight at home, take on the Kamloops Elks. Game time is 2 p.m.

In the other league encounters Sunday Revelstoke shows at Princeton and league-leading Kamloops CYO entertain North Kamloops.

These two sets of tiny twins and their parents are among the thousands of homeless as a result of the Manitoba floods. Shown are Mr. and Mrs. William Casovan of Point Douglas and (left to right) Barbara and Richard, 22 months, and Joan and Jane, seven months. Mrs. Casovan had just put the babies to bed while her husband laboured on the dikes, when the flood burst through and engulfed their little bungalow. For rehabilitation the Casovans, like 85,000 other Manitobans, must look to the Manitoba Flood Relief Fund, which has been organized in Winnipeg.

## LETTERS TO THE EDITOR

### MORE EMPLOYMENT

Editor, The Courier.  
Dear Sir,—The writer, having paid some attention to the radio broadcasts in connection with the forthcoming plebiscite, requests

once again to make use of your paper.

I would like to point out to these "preachers of gloom" that they have completely forgotten one or two places that may be brought to ruin if people are able to buy beer by the glass. For example there is the golf club and there are the bowling alleys. Perhaps these people have been so overcome by the awful spectacle of "drunks" rolling about the park amongst our little children that they have overlooked these other places. Exactly why the children of Kelowna will be in the park at 11 o'clock at night when the "drunks" will be turned out of the beer parlors has not been explained—a reasonable person would almost expect most of the children to be home and in bed.

It is also peculiar to me that certain people are extremely interested in this "child question" but apparently have no objection to a man getting drunk in his own home or in a beer parlor just outside the city. Further another speaker tells us that all the money earned and spent in the city will go to the breweries—at ten cents a glass. At present who derives the profits from beer sold at the liquor store? I suppose it is paid over to the churches, and if it were, even I have seldom known one refuse it, although I believe on one or two occasions it has been refused.

These speakers I reiterate insult the average man and woman and they are denying the working man

the privileges they themselves can enjoy.

They completely overlook the fact that it is the small wage earner that keeps them in business and if for once they would admit that the average man would be content to spend at 5 p.m. ten cents on a glass of beer and go home at 6 p.m. when I understand most beer parlors close for an hour—these working men would have saved to spend elsewhere 15 cents had they not made the purchase of one bottle of beer at the liquor store.

To tell us that this town will be ruined, will be the "sink of iniquities," that other towns having beer parlors are, is a gross insult to our neighbors and I wonder what they think of all these remarks.

Personally, and I mean personally, I really do not care one way or another if we have a beer parlor or not insofar as the drinking of beer is concerned. By now we know that this district has a "short crop" and I realize that a large number of people will be out of employment longer than usual and for this reason I would vote for anything that will cause increased employment, such as the building of one or two new hotels which in itself will mean considerably more pay cheques to be spent in Kelowna.

I remain, yours very truly,  
H. V. AGLAND.

TOURIST DOLLARS  
1151 St. Paul St.  
Kelowna, B.C.

Editor, The Courier.  
Dear Editor,—Could you spare a little space in your paper for this letter?

Some people in this town insist on beer parlors for tourist dollars. I have nothing against a beer parlor, but I am also wondering what becomes of those tourist dollars. I haven't seen any of them in the three years I have been in Kelowna. Besides, I think if the so-called city fathers thought more about creating jobs than about getting people to spend money they haven't got on something or other that there is not income from for the people concerned, there would not be people in this town just about starving and unable to find work of any kind. Now if one of those city fathers came to me in person and explained what "good" tourist dollars are doing me I might consider giving a "yes" as a vote. Thanking you kindly, I am,  
TONY BARON.

P.S.: City fathers come any time in the morning, I'll be home.

### KELOWNA IS "DIFFERENT"

Editor, The Courier.

Dear Sir,—With reference to certain remarks that have been made about beer parlors in cities—right I add these few remarks. To quote Shakespeare, "I come not to dispute what others say, but here I am to speak what I do know."

During the war I was forced into taking the only apartment I could find, opposite a beer parlor in a neighboring town. When the place emptied in the evening the streets were filled with noisy, shouting people in various stages bordering on intoxication. As for the hotels since the beer parlors came, they have gone down in every way.

Two cities where beer parlors are, have the very poorest hotel accommodation. Kelowna has the best of any city I know in the upper country.

And so very many people have said, "There's something different about Kelowna, something clean and it's so much quieter."

Personally, I would like to see beer and wines served in all hotels and restaurants, where a drink could be enjoyed with a meal, as it is in all countries of Europe, where people know how to handle drink as it should be handled. Yours sincerely,  
A. W. DUKE.

SANE DRINKING  
Kelowna, B.C.,  
May 18, 1950.

Editor, The Courier.  
Dear Sir,—I have just finished listening to another speech on the radio, regarding the awful degradation this city would take if we voted in favor of beer parlors.

Why is it that it is only the so-called upper class that are so dead against it?

Where they get their information in regards to the molesting, drunkenness, mess in the vicinity of beer parlors and numerous other things some of the "speakers" mentioned and connect directly with beer parlors, is beyond me. I wonder if any of them have been in a town that has beer parlors, or are all these things they droned up just to have something to say. It all sounds so childish.

I have been pretty well all over

Canada, United Kingdom and Europe, and believe me right here in this town the drinking is a bigger disgrace than anywhere else I can mention. These "No Beer Parlor" people should spend a Saturday night watching the cars go up and down Knox Mountain, or go up there and see the evidence of drinking parties. There are not just dozens but hundreds of bottles and bottle caps lying around, and the beaches and parks the same. Is that the result of the good so-called drinking that is supposed to be going on now?

What about the person that likes to have a glass of beer once in a while, but can't afford to belong to, or don't want to belong to one of the clubs in town. Is he to be forced to go to the liquor store and buy a dozen or half a dozen everytime he wants just one glass? I believe it is about time this town was run the way most people think they would like to have it run, and not the way a certain minority run it.

Just for the records, I was born in this town, and have lived here all my life, and as far as I'm concerned, a few beer parlors would be the best thing this town ever had.

Sincerely yours,  
JACK AVERDER.

### APPRECIATE PUBLICITY

Editor, Kelowna Courier.  
Dear Sir,—This is a note of appreciation for your efforts on behalf of the B.C. Interior Kennel Club.

The publicity given the club by your paper could not have been better and was spoken of very highly by the visiting exhibitors. For this we wish to extend our sincere thanks. Also we would appreciate it if you would extend the courtesy of your page to us to thank the city fathers for the decorated streets, which appealed especially to our American visitors. We regret that, because of the lack of support given us by local

people we will be unable to continue Kelowna dog shows. In another edition, we expressed our appreciation for donations from local merchants, but without the gate attendance it is impossible to function. We are particularly sorry because of this, since the children showed such interest in the handling classes, which were well represented by them each evening. It's

a good thing to interest children in man's best friend.  
Thank you again for past favors.  
Sincerely,  
CLYDE RITCHIE,  
President.

## PARATHION TESTED

Science Service workers in the Division of Animal Pathology, Canada Department of Agriculture, have found that the new insecticide parathion, presents far greater hazards of poisoning to domestic animals than does DDT. Cattle, sheep, goats and swine were all tested and it was found that the amount of parathion required to produce toxicity was about the same in each species. This suggests that the susceptibility of man will be approximately the same as that of the animals studied.

## IMPORTS OF CORN

Imports of corn into Canada during the calendar year 1949 amounted to 8,436,316 bushels, slightly more than the 194 imports of 8,218,948 bushels. Practically all of Canada's imports of corn have been from the United States, which in 1949 produced a corn crop estimated at over 3.3 billion bushels.

## 1100 Children From Seven Schools Make Elementaries' Play Day Best In Long String Of Annual Outings

In keeping with ever-increasing enrolment, the annual "play day" of the city elementary schools last Thursday was the largest ever attended.

Nearly 1100 pupils from the seven city elementary schools kept teachers on their toes all during the chilly outing in The City Park. Actually 864 pupils took part in the large number of events. Children were limited to one event so everyone wishing to take part could do so. One exception allowed softball players to compete in a track or field event.

## SCOUTS SHOW VARIOUS MODELS AT E. KELOWNA

EAST KELOWNA—The East Kelowna Boy Scout Troop held their annual card party in the community hall when sixty parents and friends enjoyed playing whist.

Much interest was shown in the models made by the Scouts, which were on display.

The group committee had charge of arrangements. The Scouts took over the kitchen and served refreshments. The models displayed were a trestle bridge, tent on campsite, flag and flag pole, camp mattress, set of pot hooks and Scout camp fire.

During the interval the Scoutmaster introduced some of the boys in their ratings, junior scout, tenderfoot scout, second class scout, first class scout, patrol leaders and troop leader.

This was the troop's record improvement over last year's standing, when they were all tenderfoot scouts.

Much effort and hard work was accomplished in the last year to make so much progress. The district is justly proud of the local Scout improvement.

The Scoutmaster thanked all present for their support, also the group committee for their untiring efforts and support in every position.

sible way. The raffle was won by Mr. Koide, which was a car robe. Prizes for the whist went to the following:

Ladies' first, Mrs. T. D. Dyson; consolation, Mrs. R. F. Borrell; Gent's first, Harold Bailey; consolation, Arthur Rogers.

Mrs. F. J. Foot attended a special meeting of the Okanagan Library Board on Wednesday last week, at which time the public library commissioners from Victoria were present.

Visitors on Sunday last at the International Campore held in Oliver were Mr. and Mrs. F. Thorne, Mr. and Mrs. E. O. Middleton, A. Rowles, Mrs. A. M. Thompson, Mrs. A. Harvie, Mrs. W. Hince, Mr. and Mrs. Bill Baker of Bankhead Heights are receiving congratulations from their many

friends in the district on the birth of a daughter at the Kelowna General Hospital on Tuesday, May 16. Mrs. Baker is the daughter of Mr. and Mrs. H. R. Ferry.

FLOOD DRIVE

The cast of "Leicester Square to Broadway" will give all proceeds from their Kelowna engagement to the Manitoba Flood Relief Fund. This was announced by Frank Eckersley, who returned from the coast after discussions with the entire cast and other entertainment agencies on the west coast. In addition, all proceeds from the Vernon, Kamloops and Penticton engagements of this road show will be

made available for flood relief work. Mr. Eckersley said that Gracie Fields, at a concert in Brandon last week, donated \$1,000 for flood work, and that Bob Hope would be flying into Winnipeg for a special benefit performance.

All the stars of "Leicester Square to Broadway" will give their benefit performance at the Memorial Arena next Saturday, May 27. Curtain time is 8:40 p.m.

The show's company of 30 will arrive in Kelowna early next Saturday, and will do personal appearances at a number of locations.

MANY PEOPLE  
ATTEND UBC  
PLAY IN CITY

Sydney Risk, whose wide background in virtually every phase of the theatre is well known, scored another success with his excellent direction of "An Inspector Calls," which played to a capacity audience at the Empress Theatre, last Saturday.

John Milligan in the key role of the mysterious inspector kept the suspense built up to an intense pitch. He played the role with great restraint. Ronald Wilson who played the stout, middle-aged, pompous father gave a convincing performance, and his Yorkshire accent was well done. Both skilfully suggested age through pace and mannerism, and their make-up was good.

Bob Russell, as the young aristocrat gave a smooth performance.

Sustained Drama  
Philip Keatley as the neurotic, emotional, spoiled young son played the role of Eric Birling to perfection. He portrayed the sense of disgust and revolt caused by the heartlessness of his parents, very well, and sustained the drama throughout.

Anna Woolton gave a sympathetic portrayal of the sensitive daughter, Sheila Birling, and Elizabeth Davis as the haughty, heartless mother, played the role with restraint and dignity.

A notable feature of the production was the approach to and realization of the climaxes. The tempo was kept at a crisp pace, and effective timing was achieved by the use of pauses.

The play written by J. B. Priestley received enthusiastic reviews in London and New York, lived up to its advance notices.

LOCAL M.L.A. GIVES RESUME LAST SESSION

WINFIELD—An open meeting of the Farmers' Institute was held in the hall on Tuesday evening of last week with a fairly good attendance.

Foster Mills, of Kelowna, gave a fine rendition of "A Little Bit of Ireland, 'The Road to the Isles,' and 'Lucky Ol' Sun,' accompanied on the piano by Mrs. Kay Dunaway.

The chairman introduced the speaker of the evening, W. A. C. Bennett, M.L.A., who gave a resume of the business of the last session of the legislature at Victoria.

In his preliminary remarks, Mr. Bennett gave an explanation of how legislative acts were put through the House, showing with what care all sections of a new act were thrashed out both in committees and on the floor of the House, making it quite clear that these acts were not rushed through as some people thought.

Mr. Bennett then dealt at some length on hospital insurance, pointing out the province by the R.C.M.P. the amendment to the co-operative act, gas and petroleum act, school costs, highways, Pacific Great Eastern Railway and the single transferable vote.

A question period followed and several questions were asked and satisfactorily answered by the speaker.

The instructive and interesting talk by Mr. Bennett was greatly appreciated.

Blossoms Form Background  
For Pretty May Wedding

A honeymoon trip to the coast and to points in the U.S.A. followed the wedding of Ella Anderson to Allan Macdonnell last Thursday.

One of the prettiest of this Spring's weddings, the ceremony took place at the First United Church and was performed by Rev. Petrie.

Against a background of apple blossoms, the bride, Ella, daughter of Mr. and Mrs. C. Anderson, of Kelowna, exchanged vows with Allan, son of Mr. and Mrs. G. Macdonnell, of Ellison.

Given in marriage by her father, the bride entered the church to the strains of the wedding march. For her wedding she chose a floor length gown of ivory satin with long, lily, point sleeves and sweet-heart neckline. Her finger tip veil of white tulle was held in place with a coronet of white lace fabric.

She carried a bouquet of sweet-hearts and lilies of the valley. Bridesmaids were Albena DalCol wearing a blue sheer floor length

gown and Phyllis Macdonnell who wore a floor length gown in pink organza. Both carried colonial bouquets. Jimmy Evans was the groom's best man and the ushers were Brian and Bill Duggan.

At the reception held at the Willow Inn, guests were received by the bride's mother, Mrs. G. Anderson, who wore grey with accessories in tone, and Mrs. G. Macdonnell, the groom's mother, who chose navy with matching accessories.

The groom responded to the toast to the bride, proposed by Mr. Charles DalCol. Mrs. C. DalCol and Mrs. J. Archibald presided at the urns and severities were Michi Nakayama, Jean and Kathy Archibald, Pat Bohn and Mary Guild.

For the bride the bride donned a three-piece suit of light blue gabardine with navy blue accessories and a corsage of pink carnations with lily of the valley.

On their return from their honeymoon Mr. and Mrs. A. Macdonnell will reside in Ellison.

take a post graduate course with the Westinghouse company. Alan recently graduated with honors at the University of British Columbia.

NOSTALGIA . . . Mr. and Mrs. C. M. Wagget who are here from Victoria visiting their daughter, Mrs. Wilson McGill, Maple Street, have gone to Kamloops for a brief sojourn. It is the first time in many years that they have renewed acquaintance with their former home town, Kamloops.

EXTENDED TOUR . . . Mr. A. F. McAlpine, Royal Bank Supervisor for B.C. has been on an extended tour of Prince Rupert, Prince George, Kamloops and Edmonton. Accompanied by Mrs. McAlpine, and Mr. and Mrs. F. J. Lynn, the party came from Vancouver to Kelowna and spent the week-end as guests at the Eldorado Arms. They returned to Vancouver by car over the Hope-Princeton highway this morning.

EASTERN TOUR . . . Mr. and Mrs. A. M. Folk, Elliott Ave., returned last week after a six weeks' holiday motoring through Eastern Canada and the States. They visited Montreal, Toronto, Quebec, Detroit, Chicago and on their return by the middle route, they were caught between two floods, the Red River at North Emerson and another in Nebraska.

COAST VISIT . . . Mr. Jack Butt left car for Vancouver last Tuesday and will return to Kelowna on Sunday.

BRIEF VISIT . . . Mr. W. Miller returned from a week-end visit at his mother's home in Vancouver.

FAREWELL . . . Mr. and Mrs. J. C. Hoover who for the past three years have been the proprietors of the Ellis Lodge Hotel, left Monday on an extended trip to Vancouver and the States. ## KLIPPERS EDGE VERNON TIGERS IN BOXLA DUEL

Free-for-all in Curtain-Raiser at Kamloops Last Night

(Special to The Kelowna Courier) KAMLOOPS — Kamloops Klippers and Vernon Tigers took the lid off the local lacrosse season with a resounding bang last night when the Klippers grabbed a bitterly-fought 15-14 victory from Bonnie Sammartino's boys.

Four 10-minute penalties—two to each side—were meted out in the third quarter after a wild free-for-all. Murray Querns and Kenny McDonald went off for Kamloops and Ben Douglas and Bonnie Sammartino served the time for the Tigers.

The trouble started when Sammartino cross-checked Mickey McDonald across the face with his stick, cutting his right eye and forcing him out of the game. Kenny McDonald went after Sammartino to avenge his brother's injury and the show was on.

Querns and Douglas started a little battle of their own while the major scuffle was taking place. Defencemen Benny Landberg led the Kamloops snipers with four goals. Bob Anderson had three. Glen Price and Bob Coates two each while singletons went to Phil Braithwaite, Bud Irwin, Mickey McDonald and Al Mills.

Stan Mills notched four for Vernon. Sarge Sammartino got three and Dick McCluskey two. Other Vernon marksmen were Gordie Bush, Ken Watt, Bonnie Sammartino, Jack Ritchie and Walt Caryk.

## ADANACS, SOX TASTE DEFEAT

District baseball nine fared badly on strange diamonds over the May 24 holiday. Elks Red Sox were humbled 14-2 in an exhibition game at Oliver while Rutland Adanacs lost out 6-3 to Summerland Merchants. Merchants went on to win the four-team Summerland tournament.

Failure to come to a complete stop at a stop sign cost Michael Pansegrau \$5 and costs in district police court May 17.

## Citizenship Council Will Be Formed Here

In answer to an invitation issued by His Worship, Mayor W. B. Hughes-Games, representation from some twenty-one organizations met in the library of the new Kelowna High School to consider ways and means of forming a citizenship council for Kelowna and district.

After reviewing the reasons for calling the meeting, His Worship asked J. W. Barre, teacher of English at citizenship classes to outline the aims and purposes of this council.

Mr. Barre felt that the education of newcomers had been adequately taken care of, but he thought that assimilation was not progressing too well. He was convinced that this forgotten group could be helped by a citizenship council which would sponsor through its member organizations a "big brother" plan to assist new Canadians in their adjustment in this land of re-settlement.

Having reviewed the aims and purposes of the council in Ottawa, Mr. Barre suggested that the local council be patterned after it. In conclusion, Mr. Barre paid tribute to the excellent citizenship work already done by various organizations.

The meeting went on record favoring the formation of a citizenship council for Kelowna. On a motion proposed by W. F. Mahoney and seconded by W. J. Logie, a steering committee composed of seven members from the organization present was formed.

This committee was empowered to elect its own chairman from its members and will formulate aims and objectives for the council.

A general meeting will be called at a later date.

## MILL CREEK SHOWS DROP

Mill Creek showed a fast drop over the past 48 hours after a week-end rise.

Reading this morning at the city's Water Street pumping station was 2.6 feet, down six inches from Tuesday and a full foot below the 3.6 feet peak mark reached this year on May 15.

## BOAT HOUSE TO COME DOWN

The object of a bitter dispute between the owner and the city for several years, the file on the A. J. Jones Boat House is about to be closed.

Monday night city fathers unanimously passed a resolution calling for the removal of the structure which has been a familiar "beach mark" for many years at the foot of Royal Avenue.

City will pay for the demolition costs and will sell the lumber.

## LOCAL CANCER DRIVE FIGURE TOPS \$3,640

Late returns of \$91.75 from Westbank and \$50 from the Kelowna residential section boosted the recent cancer campaign to \$3,640.15. Paul Macdonald, campaign chairman, revealed this morning. Quota for 1950 was \$3,000.

At a recent executive meeting of the organization, the question of the community chest was discussed, and the majority of those present felt a community chest would be advisable for purely local efforts, but that national drives, such as cancer and Red Cross, should not be included. Vice Presidents J. H. Hanson and J. W. Barre were appointed to attend the community chest meeting to be held June 2.

Mr. Franks gave a resume of the recent annual meeting held in Vancouver. Mr. Franks was elected a director of the B.C. Cancer Society for the ensuing year, the first time Kelowna has been represented on the directorate.

Mr. Franks said during the past year the welfare fund he assisted 210 cancer sufferers in B.C. in the low income bracket, with transportation, boarding and nursing home care and housekeeping service. Research and bursary grants of \$71,500 were made to the national cancer institute and the B.C. medical research institute.

Dr. Knox reported that the consultative cancer clinics held in Kelowna every month, are proving of great benefit.

EAST KELOWNA—The regular monthly meeting of the Parent-Teachers Association was held in the school. The president was in the chair and thirty members present. Minutes were read, and the financial statement presented by the treasurer.

W. Ratzlaff spoke on the schools, radio and records, and the need for swings on the new playing

ground. A rhythm band was discussed and the members agreed to provide the instruments.

Mrs. H. Harsent and Mrs. W. Murrell were appointed conveners for the community picnic, which takes place towards the end of June.

Following the business, some interesting pictures of England were shown by F. Turton, who visited the Old Country in the early Spring. These lovely and familiar scenes were thoroughly enjoyed by all. A social hour followed and refreshments were served by the ladies.

200,000 Kamloops Trout Fingerlings  
Liberated in Okanagan Valley Lakes

THE majority of the 200,000 Kamloops Trout fingerlings carried in the rearing ponds at the Summerland hatchery during the past winter have now been liberated in lakes of the Okanagan Valley and adjacent areas. Okanagan, Skaha and Osoyoos lakes have been allotted the majority of these three to seven inch fingerlings, with smaller allotments for Otter and Wolfe lakes, Princeton; Mabel and Sugar lakes, Lumby; Al-leyne and Kentucky lakes, Merritt; Garnet Valley Dam, Summerland; and Pillar Lake, Falkland, etc.

The allotments for the three Larkin Fisheries Biologist for the large lakes in the Okanagan Valley have included 70,000 for Okanagan Lake; 50,000 for Skaha Lake; and 20,000 for Osoyoos Lake. As outlined previously, a percentage of the fingerlings for Okanagan and Skaha lakes were to be marked as a check on growth and migration tendencies, and the marking of the 15,000 for Skaha Lake has now been completed and these fish planted. Marking of the 15,000 fingerlings for Okanagan Lake is presently being carried on at the hatchery, and these fish will be liberated as soon as marking is completed, which will be within the next few days. Although it will of course be some months before many of the fingerlings reach legal size, yet anglers fishing both Okanagan and Skaha lakes later in the season are requested to watch for marked fish and report any of legal size that may be taken.

The report should include details as to locality and date of capture; length, weight and sex of the fish; and samples of the scales from the side of the body above the lateral line and below the dorsal fin. Scales may be removed with a jackknife and stuck to a piece of paper which should then be folded. Remarks concerning the color and condition of the fish at time of capture will also be appreciated. The used have been the left ventral fin for the Skaha Lake allotment, and the right ventral fin for the Okanagan Lake allotment.

Scientific Investigation  
Immediate following completion of the Kamloops liberations, approximately 150,000 Eastern Brookies will be distributed in various waters served by the Summerland hatchery, including Twin and Horn lakes, Princeton; Fish Lake, Summerland; Madden Lake and Okanagan River, Oliver; Mill Creek, Kelowna; Lake Grindrod, and Martin Lake, Princeton.

Also included in the summer program at the hatchery are scientific investigations being conducted by Dr. Edgar C. Black of the University of British Columbia in conjunction with the staff of Dr. P. A.

fish has been found these minute worms attach themselves to the fish with their suckers, then proceed to burrow into the fish's skin, where the worms encyst and remain until the fish is eaten by a bird. In the bird the young fluke grows into an egg-laying adult, to complete the life cycle.

The encysted worms, or metacercariae within the fish cause the fish to produce a black pigment which is deposited around each worm. The black spots can be seen and if the finger is run over the skin can be felt as rough spots. These young flukes are not of importance to man as the heat used in cooking the fish will be sufficient to kill them. They do, however, if present in any numbers, spoil the appearance of sport fish such as the trout.

Feeding Habits  
Mr. Hurn is studying aquatic and terrestrial insect in relation to the feeding habit of trout.

Mr. Lyons is engaged in a study of the reproductive capacity of the various age, weight and length groups of trout and a method of determining a lake's population by the age variation of the spawning run. It has been observed that a certain fraction of a fish population spawns first at two years, or first at three years, etc. A fraction may spawn at two and four or three and five years. Therefore, if the total spawning run can be ascertained, then it is possible to determine a lake's population of fish of various age groups by applying the above ratios to the total observed spawning.

It is also expected that the nutrition experiments carried out at the hatchery during the past winter on Kokanee, will be continued with Kamloops trout later in the season by Stuart Smith of the University of B.C. In addition to other experiments that may be outlined by Dr. Larkin in his survey of the waters of the Okanagan Valley and adjacent areas this summer.

Celebrity Concert Group  
Opens Membership Drive

R. F. Margetson has been appointed campaign chairman of the Kelowna and District Celebrity Concert Association which, next week, commencing May 29 to June 3 is canvassing for memberships. The association is seeking 550 members in order to bring famous

artists to Kelowna next winter. J. K. Campbell has been chosen treasurer of the association.

Miss Gloria Huckle, secretary to A. K. Gee, president of Celebrity Concerts (Canada) Ltd., is here to assist in the drive. The 550 members is the minimum required in order that the concerts may be held, and unless that number is reached by Saturday June 3 it will be impossible to bring the artists here.

The membership fee covers a minimum of three concerts. Students may purchase membership tickets at reduced prices. Miss Huckle advised that there would be no sale of single tickets for concerts.

When the required membership District Celebrity Concert Association has been assured the artists' selection committee of the Kelowna and district, will choose the artists from a list of 12 or more.

A temporary office has been opened at 248 Bernard Avenue.

GOOD NEWS FOR  
SINUS SUFFERERS

By JULIUS DINTENFASS,

D.O., B.Sc., F.I.O.C.

Many thousands of chiropractic patients are grateful to this healing science for its help in clearing up their sinus conditions.

The record of achievement in the field of sinus trouble is one of chiropractic's proudest.

In the winter months, especially, the pain, discomfort and distress of acute sinusitis are widely observed.

Julius Dintenfass served. Yet there is no real need for this prolonged suffering, since sinus trouble can easily be identified and can be eliminated by treatment.

Sinus trouble is actually an inflammation of the lining of the walls of the spaces in the bones of the face. The sinus cavities connect with the nasal passages by small openings. Drainage takes place through these channels. When drainage is interfered with, the sinus becomes inflamed, and a secretion is formed which may cause intense pain from pressure on the sinus wall.

Frequently this whole condition arises from neglect of a common cold. The usual symptoms are interference with breathing and a discharge of pus-like mucus. Most of the time there is a dull headache or pain over the affected sinus.

The best way to avoid sinusitis, naturally, is to maintain good general health and a strong bodily resistance to disease. That means observing sound rules of personal hygiene, which include a varied diet of wholesome foods, plenty of rest and regular chiropractic adjustments. The adjustments are very important, as they serve to maintain a normal blood and nerve supply to the involved area.

As the Manitoba flood engulfed their home, Mr. and Mrs. H. J. Stamp and two children at 43 King's Drive, Fort Garry, had just time to escape from their home with nothing but clothes they were wearing. They secured temporary shelter at Winnipeg Beach. Mr. Stamp, builder and miner, moved to Greater Winnipeg from Sudbury, Ontario, in 1946. To aid such cases the Manitoba Flood Relief Fund has been established in Winnipeg.

## War Is Not Inevitable Declares Noted Speaker

"WAR is not inevitable. War is not necessarily coming, but I am not saying that there is not going to be a war."

So declared Elmore Philpott, prominent Canadian journalist and radio commentator, who was guest speaker at a Canadian Club dinner meeting in the Royal Anne Hotel last Thursday.

Mr. Philpott, introduced by club president G. Y. L. Crossley, stated that he was by no means downhearted today as in 1938 when, speaking in Kelowna, he was convinced that war was coming. This speech, made after Chamberlain had returned from Munich, was not a popular one, he said, due to his dire predictions "that proved all too true."

Referring to his trip to Germany, in the hands of Wall Street, he last year, the speaker said the east and revealed people are better off than they had been before.

"The well-to-do are getting less and the poor are getting more," he said.

**Scars of War**  
In shocking contrast to Britain, where the scars of war are pretty well cleaned up, Germany was a scene of unbelievable ruin and devastation, said the speaker. Hamburg, Essen, and the northern part of Germany had made no housing reconstruction whatsoever. "It is a country of contradictions and confusions," he said. Further surveys showed that there was much beautiful cultivation, producing considerable food, without any aid of mechanical power. No trucks or tractors on the farms; animal and women power had replaced such mechanization. Only women appeared to be working on these farms and many of these were old in years.

**Cultural Interest**  
Attending a performance of "Faust" in Hamburg, the speaker stated that 3,400 seats were all filled on a Saturday afternoon, showing the cultural interest that still prevails. Touching on Germany's industrial production, he said that it is "absolutely astonishing." Coming from the British Industries Fair where prices were high, he found that upon arriving in Hanover, there was a great range of commodities on display. The quality was high, and prices lower. Such items as eye glasses and diesel autos being particularly competitive. "If Germany gets free access to markets," he said, "German competition will be very real and acute indeed."

Contrary to popular belief, much of Germany's industry escaped the torrent of steel that poured from angry skies. This was accomplished by hiding factories underground and camouflaging them.

Club members were informed of the superlative four-lane highways that run for hundreds of miles through the country, all crossroads being eliminated. But these ribbons of concrete contributed to Germany's downfall in the end. "Hitler, that queer, evil genius, forgot that highways run both ways," said the well-known columnist, "and invading armies were thus enabled to utilize these great modern highways as they swept on to victory."

Speaking of business, the speaker then declared that American business had worked in very closely with German business, and, in the American zone, this area had been Americanized. "Effective control of many big German concerns is now

power struggle now going on. Who was going to win the cold war was not the issue at stake. "The pattern of history was working itself out," he said.

"A new stage of government is needed; national sovereignty is not the end, world government is coming."

"It is the only effective and final way to stop communistic expansion, which, due to great penetration, is a very real danger to the world today."

"Only such a plan will meet and beat it, to win the cold war and prevent the hot war."

Advocating such a plan for over eleven years, the speaker said that it must include the western democracies, beginning with the U.S.A. and the British Commonwealth and other tried and trusted democracies. Form an out and out Federation—not an alliance—it must be more binding than that. It must be founded on Western lines and Western traditions, he said.

The real menace in Germany today is not that Russia will sweep across West Germany. The real menace is that Russian Communists will again make a deal with German conservative nationalism. Russia has three policies, said the speaker. It is trying to communicate all Germany but can't do it now as Germany fears it. Germans also consider Hitler's invasion of Russia a catastrophic blunder, unparalleled in history. Russia would like to, by working out a deal with German generals, to have all troops withdrawn, agreeing to no further aggression, thus getting rid of all occupying powers. It would be a colossal blunder to rebuild Germany into a military power, said Mr. Philpott, or create a world of rival nationalities and power politics. Germany, he warned, has always been a dominant power in such a futile world.

**No Menace**  
"Only after a strong federation of the West could we admit Germans as a people, because then we would have the machinery to make stick. They would then be no menace but rather an asset."

"I am not suggesting a federation of Western Europe; if we want democracy on a world level, it must start with the strongest democracies and must certainly include the United States."

"I am not downhearted about the world in which we live, but, if we keep going in the wrong direction and adopting negative policies, sooner or later it will result in war."

"There are positive forces at work that could and would save democracy and humanity. The real choice is world government. Facts compel it," he said. It will come in either two ways. In time to prevent a third world war or be founded amongst survivors of a catastrophic world war.

three. In conclusion, Mr. Philpott said that we were a lot closer to it now. "We have learned the hard way... world law is coming."

He was ably thanked by W. A. Holton.

## AMATEUR "HAMS" CONTACT PEOPLE IN FLOOD AREA

The Kelowna branch of the Red Cross Society, is also playing a minor role in the Winnipeg floods. Amateur radio operators are sending messages to the flood-stricken city, from people enquiring about friends and relatives.

Those desiring to contact friends, should place their names with W. Metcalfe, local Red Cross secretary. Recently the local branch came to the rescue of two families burned out in the Canyon Creek district. In both instances homes were destroyed, and within 24 hours the Red Cross supplied bedding, clothing and other necessities.

Tracing the pattern of history, the speaker maintained that this had been an age of nationalism, no law save force, lasting hundreds of years, resulting in two devastating wars and both fought around three nations. "Germany is in exactly the same position today as she was then," he said.

The speaker then avowed that it was erroneous to believe that the present cold war was unique in history. Making reference to the 30 years war, the speaker stated that two-thirds of Germany's population had been killed.

According to the speaker there was a cold war in 1885 when Kipling visited Vancouver. All Vancouverites wanted to talk about at that time was the big fire and their wonderful climate. What the celebrated poet wanted them to talk about was "the Russian menace, advocating that a fort be built near URC to challenge the Russian navy which he feared would come at any time."

"The world struggle is a power struggle declared the speaker. "It is between national powers—and it has been going on for hundreds of years."

"If we had a czar government in Russia and a Wallace government in the United States, we'd still have the same International Power struggle as we have today."

"There are many ideological factors in the picture—Communism vs. the Democratic world; Communism vs. Capitalism; presenting a danger to us all. We must become conscious of it and study how to defeat it," he said.

**Power Struggle**

Maintaining that world communism was everywhere on earth, the speaker stated that this gave Russia a tremendous advantage in the

## "WILL YOU WALK INTO MY PARLOUR?"

Now there's a nice cosy invitation—and it's being offered to us every day by the theory boys who would like to see the government providing everything (out of our money). But there's as big a catch in it for us, as there was for the fly.

Because before you have anything, somebody has to produce it. And why should someone produce it for you unless you also produce something of equal value to give him in return.

You know the answer to that—he won't.

That's why you know that people who promise you an easy future, with "more pay for less production" are simply talking through their hats.

Here's the hard, plain fact: you can only be paid out of what you produce in goods or services—there's no other place for wages to come from.

Plans for a better world in the future are fine but they will all be doomed to failure unless they're founded on this fact—all the wishful thinking in the world can't change that.

In the final analysis the only one who can make this a better world for you, with true security, is yourself. And if you wish, under our present opportunity system you have the privilege of producing a better service or piece of goods and as a consequence drawing a larger wage for it.

While nobody claims that this system is perfect, it is still the only system that allows the individual the opportunity to choose his job; live where he pleases; make the best use of his abilities to get along in the world and hold his head up as an independent and free person.

That's the way to security.

"extra" bedroom as large and airy and within easy reach of the modern bathroom. There is ample closet storage space in the bedrooms and bathroom. The short, central hallway connects all the rooms of the house.

The house illustrated above is finished on the exterior with eye-pleasing two-way wood siding.

PLAN No. 50-38

"An ideal home for the small family—compact, comfortable and economical," is what one builder had to say about this two-bedroom bungalow. Designed for gracious living and featuring a highly original room layout, this house is a popular choice with Canadian home-builders.

For additional living comfort and convenience, the large, bright living-room is situated at the rear of the house and affords easy access to the backyard area. There is also an attractive covered front entrance and a side door which leads to the basement. The combination kitchen and dining-room is another delightful feature of this plan. Wide windows look out on the front lawn and street area. The master bedroom and the

Plans for this bungalow include a full basement with room for storage and heating facilities. For estimating purposes the floor area is 862 square feet; overall cubic contents, 17,194 cubic feet. (Working drawings may be obtained from any office of Central Mortgage and Housing Corporation at minimum cost.)

British Columbia Power Commission will construct at Lillooet this summer an \$85,000 diesel-electric generating plant.

Premier Byron Johnson gave approval to the commission's recommendation for this project when it was made clear by investigation the proposed development of a hydro-electric project at Cayoosh Creek would run to a prohibitive cost in relation to the amount of consumer demand.

Although the commission has been operating in the Lillooet area since it purchased a small hydro installation from the Pacific Great Eastern Railway in 1947, expansion of services has been slow until recently. It was necessary to rebuild and extend the entire distribution system and then in the early summer of 1948 the generating station at Seaton Creek was destroyed by flood. Since that time a diesel generating plant has operated on a temporary basis.

There is every indication that with an adequate power supply recent acceleration of customer demand will be maintained.

The Lillooet area is rich agriculturally, particularly along the benches of the Fraser River where

adequate power for irrigation purposes will stimulate production.

First Tenders Accepted

Simultaneously with the announcement of the Lillooet project, the commission released acceptance of tenders for the supply of turbine and generator equipment for its

new hydro-electric development at Clowhom Falls to serve the rapidly-growing Sechelt area.

Bepco (Canada) Limited will supply two 1875 kva generators for a price of approximately \$50,000 installed. These will be shipped from Edinburgh.

The Vancouver Engineering Works Limited will supply two 2,000 horsepower turbines at a price of approximately \$55,000, as well as other equipment for the installation of an aggregate of nearly \$68,000. Work on the Clowhom Falls project starts this summer.

## Kelowna Little Theatre Commences First of Summer Workshop Series

Do you want to act? If you are interested in the basic and fundamental approaches to drama, here is your opportunity to learn more about play acting.

The summer workshop of the Kelowna Little Theatre started its workshop series with the first meeting, held at the Scout Hall last Friday evening.

Charles Patrick outlined the course the group will work on during this series. He invited all those interested not only in drama and acting, but those who would like to learn the behind the scene activity of play acting to attend the summer workshop series.

The course will include: directing stage management, make-up, costumes, properties, stagecraft, lighting, and all the phases that contribute to the presenting of a play. Beginning with a basic course under the direction of Charles Patrick, members will receive instruction in the fundamentals of drama. They will learn about pantomime, mimicry, the setting of the stage and construction of sets. Further advanced instruction will be given by Mrs. Christine DeHart, J. O. Crittenden will assist in an advisory capacity during the workshop series.

The cast of "Blithe Spirit" is busy rehearsing under the able direction of Frank Lambert-Smith. This well-known play by Noel Coward will be presented at the Empress Theatre on June 7 and 8.

## MAJORITY UBC GRADUATES BEEN PLACED

Most of this year's record 2,100 U.B.C. graduates have already been placed. Frank J. E. Turner, secretary-manager of the U.B.C. Alumni Association, declared in an interview here.

Mr. Turner, who is travelling with the U.B.C. Players' Club, met with members of the Kelowna Branch of the Alumni Association during his brief visit.

The new women's residence, now under construction at U.B.C., will be opened this Fall, as will the medical school.

"The many people in the Kelowna area who supported the B.C. War Memorial Gymnasium campaign in 1946, will be glad to know that this living memorial to all B.C. citizens who served in two World Wars is also under construction and will be ready for use sometime in the Fall," he said.

Of the total cost of \$735,000 involved, citizens all over B.C. contributed approximately \$150,000 and the students themselves are financing \$320,000.

Alumni and other friends of the University are supporting the Alumni-U.B.C. Development Fund in greater measure this year than last according to the association permanent director.

## KODIAK BALLMEN LEFT STARVING BY RUTLANDERS

RUTLAND—Opening game of the new Kelowna and District Junior Baseball League here Sunday uncorked some heavy hitting and a no-hitter, both credited to the Rutland Cubs as they blanked Kelowna Kodiaks 12-0.

The locals drove Kano from the Kodiaks' box in the first frame as they felled 10 times to sew up the decision. Roth replaced Kano and went the rest of the way, allowing only two more runners.

Hugh Stewart started for the Cubs, fanning seven of the first 10 batters to face him and giving up to his Duggan then took over and while not striking out so many, also set the Kodiaks down hitless.

### Kelowna Athletes Retain Valley Track Meet Title; Day Busts Discus Record

WHILE Kelowna High School black-and-gold boys and girls were the aggregate—and in most cases individual—standouts of Saturday's annual valley track and field meet at Vernon, stout-armed Ephraim Day was the only Orchard City athlete to set one of the four new records during the day-long meet.

Eph, a classy runner over the quarter-mile distance as well, reached his pinnacle in the discus throw, heaving it a distance of 117 feet, 9 inches, more than 10 feet better than the previous mark of 106 feet, 10 1/8 inches.

With sparkling individual performances from the two Brians—Casey and Weddell—and June and Alvida Minette, Marilyn Oatman, Charlie Wakabayashi, Ron Fraser and Marjorie Walker—to name a few—the Orchard City house of learning coasted to the third valley championship in a row.

Final results for Class A schools (enrollment of 500 or over) were: Kelowna 167, Vernon 82, Penticton 66, Oliver (South Okanagan High School) 34.

Class B aggregate results were: Armstrong 29, Summerland 18, Lumby 13, Rutland 3, Salmon Arm 2, George Pringle (Westbank) 1.

Won Five Relays  
But it wasn't only in individual events that the KHS stars shone. Team for team they were away out front, winning five of the six relays and placing second in the other.

One of the best bits of record-busting was turned in by Mark Phillips of Vernon who flashed the 440 in a nice time of 53.1 seconds, just nosing out Eph Day. Previous record was 54.2.

Two Pentictonites accounted for the other two new marks. Gerry Kenyon soared 10 feet, 9 1/2 inches over the bar to better the previous pole vault mark for 20 and under boys of 10' 8 3/4".

Joan McKie hurled the softball a new distance of 175 feet 8 inches, bettering the previous record by exactly six feet.

Marjorie Walker of Kelowna zipped the 75 yards in the 20 and under class off with a time of 9.4 seconds to tie the existing mark. Brian Weddell tied his 5.9 record in the high jump.

Captured 10 Cups  
But a bone-chilling cold and soft grounds spoiled any hopes of this year's meet again tossing a barrelful of records by the boards.

Double winners for Kelowna were Charlie Wakabayashi, June Minette, Brian Weddell and Brian Casey. Weddell also picked up a second place ribbon.

In addition to holding on to the Vernon Cup, emblematic of the Class A laurels, Kelowna High won nine other pieces of silverware, many of them having been captured last year.

They are:  
Ramsay Cup, boys' relay, Kelowna.  
Whitton Cup, girls' relay, Kelowna.  
Pettigrew Cup, 75 yards, girls, 16 and under, June Minette.  
Daisy Hansen Cup, 100 yards girls open, Marilyn Oatman.  
Summerland Review Cup, 220 yards, boys 18 and under, Brian Casey.  
Cranna Cup, 800 yards, boys 18 and under, Ron Fraser.  
Kelowna Junior High Cup, pole vault, boys 16 and under, Jim Scantland.

### Kelowna Junior High Sports Column

By MIEKO MORI

The KHS Golden Owls track team returned victorious from Vernon and the Okanagan track meet! The track and field stars from Kelowna garnered 167 points, more than twice as much as the second-place high school, Vernon, which had 82 points.

Again we would like to point out a few individual stars from the Junior High. Granted, the Senior made most of the points, but the Juniors did their share, getting 63 points to the Seniors' 104. The girls from KHS collected 24 points; the boys 39.

Charlie Wakabayashi was once again outstanding. He placed first in both the 14 and under broad jump and the 75 yards dash.

Marilyn Oatman ran first in the 20 and under 100 yards and snatched the cup from Frances Halleran of Lumby who had won the event twice before.

Amy Hedblom, a very promising sprinter, tied for first in the 14 and under 50 yards and was also anchor on the relay.

Wins in First Trial  
Clifford Serwa leaped 4 feet, 11 inches in the 14 and under high jump and took first place honors. Jim Scantland jumped 8 feet, six inches in the 16 and under pole.

### CHARMING SPRING WEDDING UNITES VALLEY COUPLE

The Woodsdale Adventist Church was the scene of a pretty, spring wedding when Rev. A. G. Streifling united in marriage, Alice Flora, daughter of Mr. and Mrs. Harold Jewell, of Rutland, and Donald Clarence, son of Mr. and Mrs. Peter Siemens, of Winfield.

The bride, charming in a turquoise tailored suit with accessories, wore a corsage of pink carnations, and was given in marriage by her father. Bridesmaid, Miss Iona Cleven, chose a grey dressmaker suit with matching accessories, and a corsage of pink carnations. The groom was supported by Mr. Willis Woodkey.

The church was beautifully decorated with ferns and potted plants. Solos were sung by Mrs. Delmar Reising.

Following the ceremony, a reception was held at the Winfield Hall with two hundred guests in attendance. The bride's table was decorated with seasonal flowers and the three-tiered wedding cake was flanked by taper candles.

Mr. J. C. McKenzie proposed the toast to the bride, to which the groom responded.

The young couple was assisted in receiving their guests by the bride's mother, who wore a tailored grey suit with black accessories, and a corsage of red roses. The groom's mother chose a two-piece suit dress of pink.

Mr. and Mrs. D. C. Siemens are staying at Al Lord's Auto Camp in Rutland.

Out-of-town guests for the occasion were: Mr. and Mrs. H. Culvert and family, of Enderby, cousins of the bride, and friends from Okanagan Centre, Oryama and Rutland.

**ELLIS LODGE GUESTS** among the guests registered at Ellis Lodge are: Mr. T. A. Maxwell, of New Westminster; Mr. James McLellan, of Calgary; Mr. L. A. **Winfield Fashion Show Is Outstanding Success**

WINFIELD: One of the most outstanding fashion shows ever staged in the Central Okanagan, was held in the Winfield Memorial Hall. The decorating was excellent and the modelling was all that could be desired. Sponsored by the Women's Institute, Mrs. Beck acted as chairman and Mrs. Gordon Shaw gave the descriptions of the styles as they were shown.

Solo incidental piano music by Mrs. A. Porter during the modelling added greatly to the general effect.

During the evening, musical selections were given by the Rutland High School Band under the leadership of Joseph Bianco; violin numbers by Mrs. R. Bateman and songs by Mrs. L. Stove.

The styles were modelled by the following: English all wool gabardine, by Mrs. R. Ash; classic summer suit for matrons, a combination of rayon and cotton blended to summer weight, by Mrs. A. Smith; two-piece tissue faille matron's dress in navy, touched with polka dot taffeta, by Mrs. B. Friesen; a summer casual of junior cord fabric, by Mrs. R. Stewart.

Smart little women stripe jersey for afternoon shopping or a tea party, by Mrs. H. Fowler; outfit for the week-end fishing trip, slacks of rayon and wool gabardine, man tailored, by Evelyn Sauer; wee sun suits of sanforized fast colored broadcloth two-piece style with detachable jacket, by the little twins, Margaret and Marion Walker.

**School Clothes**

American woven stripe gingham in fast colors with embroidered yoke for school wear, by Maureen Gibbons; "Little Sister" in candy stripe cotton broadcloth, by Lynn McCarthy; pre-school two-piece dress skirt of fine cotton broadcloth with button-on blouse, by Lorraine Arnold; boy's swimming trunks of latex satin, by Richard Gibbons; two-piece cotton print swim or sun suit with frills on shorts, by Maureen Gibbons.

**Swim Suits**

Misses swim suit with plain fluorescent satin panel by Shirley Arnold; sport suit with cotton drill shorts and cotton tee shirt, by Evelyn Sauer; boys' wool wet trunks with gabardine jacket, by Richard Gibbons; wool flannel skirt topped with a blouse of cotton broadcloth for school wear, by Beryl Reising; washable striped jersey, by Margaret Mitchell; afternoon dress of rayon taffeta with tiered skirt, by Shirley Arnold.

FOLLOWING THEIR MARRIAGE at First United Church, on May 18, Mr. and Mrs. Allan Macdonnell are pictured leaving the church. The beautiful bride, former Ellis Anderson, is the daughter of Mr. and Mrs. G. Anderson, of Kelowna, and the groom is the son of Mr. and Mrs. G. Macdonnell, of Ellison. After a reception at Willow Inn, the happy couple left for a honeymoon trip to the coast and to points in the U.S.A.

### Winfield Fashion Show Is Outstanding Success

WINFIELD: One of the most outstanding fashion shows ever staged in the Central Okanagan, was held in the Winfield Memorial Hall. The decorating was excellent and the modelling was all that could be desired. Sponsored by the Women's Institute, Mrs. Beck acted as chairman and Mrs. Gordon Shaw gave the descriptions of the styles as they were shown.

Solo incidental piano music by Mrs. A. Porter during the modelling added greatly to the general effect.

During the evening, musical selections were given by the Rutland High School Band under the leadership of Joseph Bianco; violin numbers by Mrs. R. Bateman and songs by Mrs. L. Stove.

The styles were modelled by the following: English all wool gabardine, by Mrs. R. Ash; classic summer suit for matrons, a combination of rayon and cotton blended to summer weight, by Mrs. A. Smith; two-piece tissue faille matron's dress in navy, touched with polka dot taffeta, by Mrs. B. Friesen; a summer casual of junior cord fabric, by Mrs. R. Stewart.

Smart little women stripe jersey for afternoon shopping or a tea party, by Mrs. H. Fowler; outfit for the week-end fishing trip, slacks of rayon and wool gabardine, man tailored, by Evelyn Sauer; wee sun suits of sanforized fast colored broadcloth two-piece style with detachable jacket, by the little twins, Margaret and Marion Walker.

**School Clothes**

American woven stripe gingham in fast colors with embroidered yoke for school wear, by Maureen Gibbons; "Little Sister" in candy stripe cotton broadcloth, by Lynn McCarthy; pre-school two-piece dress skirt of fine cotton broadcloth with button-on blouse, by Lorraine Arnold; boy's swimming trunks of latex satin, by Richard Gibbons; two-piece cotton print swim or sun suit with frills on shorts, by Maureen Gibbons.

**Swim Suits**

Misses swim suit with plain fluorescent satin panel by Shirley Arnold; sport suit with cotton drill shorts and cotton tee shirt, by Evelyn Sauer; boys' wool wet trunks with gabardine jacket, by Richard Gibbons; wool flannel skirt topped with a blouse of cotton broadcloth for school wear, by Beryl Reising; washable striped jersey, by Margaret Mitchell; afternoon dress of rayon taffeta with tiered skirt, by Shirley Arnold.

**Flower Girls**

Flower girls dresses in matching pink silk crepe with embroidery on bodice and white Peter Pan collar, by Mrs. A. Smith.

**Brandon Fair Grows**

Brandon fair this year will also feature the provincial fruit and vegetable show.

## A Story in Pictures

Just one of the many scenes in the thousands of flooded houses in the Winnipeg area is shown above. Here a frantic householder tries to save some of his furniture, but the water keeps rising and even his refrigerator is swamped. House after house shows a similar grim picture of swollen and water-logged furniture; tables and chairs floating up against ceiling, and drowned stoves and refrigerators. A mortal blow has been dealt the people of Southern Manitoba and the Manitoba Flood Relief Fund has been established to provide assistance to flood victims who have lost their possessions. Donations to the Flood Relief Fund may be left at The Kelowna Courier or sent direct to Fund Headquarters in Winnipeg.

Obliged to rush from their home with her ten-day old baby and another child 2½ years old in what few clothes she could pick up hurriedly, Mrs. Paul Riekey, St. David's Road, narrowly escaped from the Manitoba flood. The three were evacuated to Portage la Prairie and are now in temporary quarters. Nothing but the clothes they wore were saved. For help they must look to the Manitoba Flood Relief Fund.

A picture of utter misery and hopeless despair is John Cherka, 42, of 73 Dracell St., Winnipeg. When the floods broke through the bank of the Red River his home and thousands of others were ruined. He has no money to start over again and he is bewildered by the rapidity of events which have brought poverty to him. The Manitoba Flood Relief Fund has been established in Winnipeg to help people like John Cherka, and money is urgently required to set in motion relief for the thousands of flood sufferers.

Donations may be left at The Kelowna Courier.

### FORMER LOCAL BUSINESSWOMAN PASSES AWAY

A well-known former Kelowna businesswoman, Miss May Jones, passed away suddenly on Sunday, May 12, at Crewe, Cheshire, England. Following cremation, burial took place in the family plot at Crewe.

The late Miss Jones acquired a host of friends here during the time she was in business for 22 years as proprietor of a ladies' dress and

millinery shop on Bernard Avenue. Retiring five years ago she returned to England to reside in her home town of Crewe. Among those left to mourn her passing is her sister, Mrs. J. A. Tilley of Kelowna.

### STOWAWAYS

ESTEVAN, Sask. (CP)—Two chipmunks were found in a load of lumber which arrived at the Co-op lumber yard from Canoe Lake, B.C. recently. The animals which apparently sustained themselves on sprinklings of wheat on the floor of the boxcar, have been adopted as pets by workers at the yard.

Tim-ber-lox is a clear liquid made from the finest, toughest resins and water repellent oils and is used as a thinner for oil based paints or as a clear primer before painting or varnishing.

### OUTSIDE PAINTING

In order to secure a good paint job it is first necessary to secure a good ground or prime coat. It is in this prime coat that the addition of Tim-Ber-Lox to paint is highly recommended. Paint with Tim-Ber-Lox added has superior penetrating and sealing qualities which provide a reinforced foundation against moisture and helps prevent the peeling and blistering of succeeding coats of paint.

There's a new twist in doughnuts—a new thrill in all your baking! Say goodbye to perishable yeast—Fleischmann's Royal Fast Rising Dry Yeast keeps full strength until you use it—fast-acting when you use it. Get a dozen packages—it keeps in your cupboard!

**DOUGHNUT TWISTS**

Scald 1/2 c. milk, 1/2 c. granulated sugar, 1 1/2 tsp. salt and 1/2 c. shortening; cool to lukewarm. Meanwhile, measure into a large bowl 1/2 c. lukewarm water, 1 tsp. granulated sugar; stir until sugar is dissolved. Sprinkle with 1 envelope Fleischmann's Royal Fast Rising Dry Yeast. Let stand 10 minutes. THEN stir well. Add cooled milk mixture and stir in 2 well-beaten eggs and 1 tsp. vanilla. Stir in 2 c. once-sifted bread flour; beat until smooth. Work in 2 1/2 c. (about) once-sifted bread flour. Knead on lightly-floured board until smooth and elastic. Place in greased bowl and grease top of dough. Cover and set in a warm place, free from draught. Let rise until doubled in bulk. Punch down dough and roll out into a rectangle, 1/2" thick; loosen dough; roll again 1/2" thickness. Cut into strips 7" long and 1/2" wide. Fold strips in half, twist, then pinch ends together. Arrange well apart, on lightly-floured cookie sheets; grease tops. Cover and let rise until doubled in bulk. Carefully lift a few at a time, into shortening that has been heated to 365°—hot enough to brown a cube of day-old bread in 60 seconds. When under-sides are browned, turn and cook second sides. Carefully lift from fat and drain on absorbent paper. Coat with a mixture of fruit sugar and cinnamon or brush hot doughnuts with the following syrup: Heat, stirring until the sugar dissolves, 1 c. granulated sugar, 1/4 c. butter or margarine and 1/4 c. water; simmer 5 min., then stir in 1 tsp. vanilla; keep hot over boiling water.—If syrup becomes too sugary, stir in a little boiling water and heat to boiling point. Yield—5 dozen doughnuts.

Note: Dough may be cut with an orthodox doughnut cutter; fry the doughnuts and the "holes".

In the nick of time, this little Manitoba family fled as flood waters swamped their home in St. Norbert. Now homeless and sheltering with another family in a tiny two-room frame cottage on higher ground, they will require aid from the Manitoba Flood Relief Fund before normal life can begin for them again. Complete with pets, the evacuated Dubuc children are shown above with their parents as follows: Michelle, 4; Denis, 7, holding his pet hamster; Nicole, 2; Gerard, 8 months, and Teddy the dog.

Cash donations may be left at The Kelowna Courier.

**OTTAWA REPORT**

By O. L. JONES, M.P.

Ottawa, May 17, 1950  
At long last the pipeline bills have negotiated their rough ride through parliament and on Monday the 15th, they were subject to a series of amendments and votes. A motion moved by Howard Green, member for Vancouver-Quadra and Major General G. R. Pearkes, V.C., Nanaimo to this effect:

"That bill No. 9 be not now read a third time but that it be referred back to the standing committee on railways, canals and telegraph lines for the purpose of reconsidering the amending of the bill so as to provide that any pipeline built by the proposed company from Alberta to the Pacific coast must be by an All-Canadian route."

The vote was taken and found nine British Columbia members were in favor. The one being, G. A. Cruickshank, E. D. Fulton, J. L. Gibson, Howard C. Green, H. W. Herdridge, O. L. Jones, Angus MacInnis, G. R. Pearkes, and James Sinclair. The balance of the British Columbia members voted to allow the bill to pass without this provision. It is interesting to note that after the bill was passed several members spoke to the effect that the discussions had brought out the great possibilities latent in the west and awaiting development. Agriculture Minister Gardiner was speaking over the CBC network on the following day had this to say:

"The discussion of the pipeline bills has forced to the front the fact that in the west there are wonderful industrial possibilities. It has renewed the dream of the prairie provinces that our agriculture can be made to flourish through the development of industry at the coast, along the foothills, and in the cities of the plains. It has renewed the hope that an industrial west can be connected with an industrial east by linking Canada's 12-month ports with ships which will call at the great ports of the south."

"Opening of the Panama Canal had stirred this dream to a hope that Canada would be able to lead westward to Asia for developing trade. However, the results have not yet materialized."

While our efforts in the House would appear to have been futile, I am satisfied that the board of transport must make a thorough investigation into the feasibility of an all-Canadian route before granting any charter. We in British Columbia must be fully alive to the vast possibilities of developments should this line pass through our province and I would urge every public body to take steps immediately to induce industry to come into our province should this pipeline be eventually routed our way.

The postmaster general was under attack this week because of the fact that he has arbitrarily barred the use of the mail to over a thousand individuals and companies in Canada, mainly Toronto stock brokers, but including some branches of the Canadian Legion and other organizations. The debate was prolonged although the government was severely challenged by both Mr. Drew and M. J. Coldwell. The natural reaction being that the postal authorities are not the proper people to deal with infractions of the law but rather if intent to defraud will be discussed to a much fuller extent when the estimates of the department are before the House.

The minister of agriculture last Friday submitted his estimates to the House and several members including myself took advantage of the opportunity to place our local problems before the House. I took issue with the minister of national health and welfare respecting his bulletin for September, 1949, which recommended the drinking of citrus juices and particularly canned orange juice as the best possible way to absorb vitamin C. I placed before the House the progress that has been made in our apple juice industry in British Columbia. My views are recorded in Hansard, May 12th on page 2456. The Honorable Mr. Gardiner during his reply stated that he personally drank apple juice every day and

that a chain of local restaurants refused to serve apple juice. The net result was a great deal of publicity both in the local press and over the eastern networks resulting in this particular chain of restaurants putting in huge stocks of apple juice and placing same on display with suitable cards that apple juice is now available in these restaurants. Even in the parliamentary restaurants the use of apple juice doubled immediately so that some good has resulted from my presentation.

Wires have been reaching me from the board of trade and city council of Grand Forks regarding the recent atrocities by Doukhobors in that district. Seeking the assistance of the Minister of Justice in order to control the activities and the violence of these people, I have taken up the matter with the minister and he has promised to give me his reply as to what can be done this afternoon.

The government has appointed a committee to consolidate the various acts governing the armed forces. At present there are five different acts creating a great deal of confusion and containing many

contradictions. The new act incorporates all of the essential points contained in the old ones and is endeavoring to bring the rules and regulations both active and reserve forces up to date. There are many things in the act that one can take objection to. One is the inclination throughout the new act to vest more power in the minister of national defence and the personnel of the forces. Previously the armed forces vested in the name of the King and administered

**GLENMORE MAKES COMMUNITY PICNIC PLANS**

GLENMORE—Tentative plans were drawn up for a community picnic when the executive of the Community Club met at the home of Sam Pearson recently. Details and the date will be announced later.

Ichio Yamamoto, athletic director, reported Glenmore is fielding a team in the twilight league and also a team in the junior loop while a junior girls' team has been coming out regularly for practice. The boys in the twilight league have won two out of three games. All home games are played on

on his behalf by the Governor General, the cabinet and the King's Privy Council. Also the old act had a limitation on the number that could be recruited into both regular and reserve army and the new bill does not give this control. Under the limitation clauses parliament knew to what extent it would be called up to provide funds for these services but now the parliament must rely on the discretion of the Minister. In England this point created a great deal of controversy some generations ago parliament demanding the right to control the armed forces and it will be possibly a matter of considerable discussion when this bill is before a special committee that has been appointed to go into the various clauses.

Thursday evenings and the boys hope for good support.

Sympathy of the community is extended to Mrs. W. R. Hicks who received news last Saturday of the passing of her sister, Miss Emma Stuart in Belfast, Ireland. Miss Stuart was a missionary in China for many years and will be remembered by many Glenmore people as she had visited her sister here on several occasions while on furlough from her chosen work. She had been in poor health for some time.

# Keep Beer Parlors OUT of Kelowna

Vote **NO** MEMORIAL ARENA  
FRIDAY, MAY 26  
8 A.M. - 8 P.M.

## Remember These Points:

### Sale of Beer...

- Beer is sold in the Government Liquor Store and is available to all who wish it.
- Beer Parlors not only sell beer by the glass but also sell beer by the bottle and by the case.
- Beer Parlors sell beer up to 11 p.m.
- Beer Parlors greatly increase the consumption of beer.

### Prosperity...

- Kelowna is the most prosperous centre in the Interior.
- The bulk of money spent in Beer Parlors goes out of the community.
- Money spent in Beer Parlors is lost to local merchants.
- Beer Parlors mean increased taxes to meet increased costs of policing and increased social problems.
- Beer Parlors would detract from Kelowna's prosperity.

### Tourist Accommodation...

Accommodation in Tourist Camps and Motels:  
(Board of Trade figures)

Kelowna	21 camps — capacity 900
Vernon	10 camps — capacity 350

- Kelowna without Beer Parlors, has far outdistanced Vernon in tourist accommodation.

### Youth...

- Many people have selected Kelowna as a place in which to bring up their children because of its obvious advantages—not the least of these has been the absence of Beer Parlors.
- No one can deny that Beer Parlors do place temptation in the path of youths and others to consume larger amounts of beer than they otherwise would do.

### WHO IS THE "KELOWNA CITIZENS' COMMITTEE"?

ONLY ONE CITIZEN of Kelowna has publicly announced himself as being associated with the "Kelowna Citizens' Committee". This man, who has been heard over the air, is in the employ of the organizer mentioned below.

The Beer Parlor campaign is being directed by an outside paid organizer who was also employed to work for Beer Parlors in Penticton last month.

Advertisements used in Kelowna last week were identical, word for word, with advertisements used in Penticton over the name "Penticton Citizens' Committee". Each was promised that it would "become the Convention and Tourist Centre of the Okanagan Valley."

### Kelowna In Bygone Days

From the Files of The Kelowna Courier

#### ONE YEAR AGO

Thursday, May 26, 1949  
Twelve new records were set as Kelowna High School successfully defended its Okanagan Valley high schools track and field championship at The City Park on Saturday, May 21.

Rear Admiral H. G. DeWolf, C.B.E., D.S.O., D.S.C., Royal Canadian Navy flag officer of the Pacific Coast, headed the distinguished group to come here for annual inspection of the Kelowna Royal Canadian Sea Cadet Corps.

J. R. J. Stirling, Kelowna, was re-elected president of the B.C. Fruit Growers Association. He will be supported during the coming year by the same executive as last year: J. G. Campbell, Salmon Arm, for the mainline area; W. T. Cameron, Coldstream, for north Okanagan; Ivor Newman, Glenmore, for central Okanagan; G. A. Lundy, Oliver, for south Okanagan, and John S. Hall, Erickson, for the Kootenays.

G. A. Barratt of Kelowna was re-elected chairman and P. French of Vernon and A. G. Desbrisay of Penticton were named members of the B.C. Fruit Board by delegates attending the annual statutory meeting for that purpose here.

Total of 41,235 people will be entitled to exercise their franchise in the June 27 federal election. The list represents an increase of 40 percent over the previous list compiled in 1945.

Kelowna Bruins whipped Kamloops Young Liberals 10-4 in the May 24 opening senior B lacrosse league game here.

Threat of a general flood in B.C. this year is believed to have passed.

#### TEN YEARS AGO

Thursday, May 23, 1940  
New \$140,000 Kelowna General Hospital unit is all ready for the official opening on Sunday, with Dr. K. C. MacDonald, provincial agriculture minister, performing the ceremony. The new hospital is considered to be one of the finest and most modern and complete in the country.

With a judgment of "not guilty" Mr. Justice Robertson brought to a close in Vancouver Assize Court on Monday a case that emanated from accusations made by D. Godfrey Isaacs, Oyama grower, that a combine existed between Okanagan fruit shippers and prairie jobbing interests.

D. M. Rettray, Salmon Arm, succeeded A. K. Loyd, Kelowna, as president of the B.C. Fruit Growers Association.

Since its inception in 1935 the Kelowna hospital, insurance plan has had 3,500 contracts, covering 10,000 persons.

Concerned over raids of dogs on sheep, poultry and cattle, rural groups here have asked the city to help them in getting a sheep protection area set up here.

For the fourth consecutive year Vernon High School won the valley track and field championship, nosing out Kelowna by four points. One of the individual stars was Donald Miller of Penticton, who broke two records and tied a third.

#### THIRTY YEARS AGO

Thursday, May 20, 1920  
The celebrated Mrs. Pankhurst, women's suffrage leader, was a passenger on the northbound steamer, en route to lecture at the Chautauqua at Vernon this week.

It was reported that the freight handlers on the Skeena Thursday had gone on strike in sympathy with their brethren of the coastwise service, but it seems that they got tired of the job and just naturally quit on the southbound voyage, paying their fares to Penticton, from Okanagan Centre and exercising the privileges of passengers in regard to their usual work.

A stage line now is in operation between Kelowna and West Sunmerland, making connection with the Kettle Valley Railway. It is now possible for travellers to leave Kelowna at 9 a.m. and arrive in Vancouver the same night at 1:15 a.m.

### EAST KELOWNA GIRL GUIDES HOLD MEETING

EAST KELOWNA—A meeting of the Girl Guide committee was held at the home of Mrs. H. Hewlett on Wednesday of last week with the president in the chair. The minutes of the previous meeting were read and a satisfactory financial statement presented.

Mrs. H. Hewlett reported on the Girl Guide work, and Mrs. W. Hince gave a report on the Brownie Pack.

The Guide camp was discussed. The next meeting will be held at the home of Mrs. H. Harsent on June 1. Afternoon tea was served by the hostess.

The first East Kelowna Brownie Pack had a "Golden Bar Ceremony" on Saturday last.

A winding path strewn with wild flowers and grasses lead to the toadstool, where the Brownies were presented with their golden bars. Those who passed tests were Jean Thorneloe, Laura Klene, Kathleen Weisbeck, Vera Knopf and Anne Rowles.

The East Kelowna Troop Boy Scouts with the Scoutmaster and Assistant Scoutmaster, attended the International Campore held at Oliver May 19-21.
